

NATIONAL INSTITUTE OF TECHNOLOGY DURGAPUR
DEPARTMENT OF CIVIL ENGINEERING

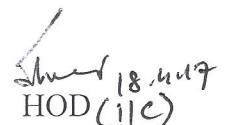

Routine of Even Semester (Regular) Examination, 2017
For
2nd SEMESTER M.Tech. in Structural & Geotechnical Engineering

Date	Subject code	Subject Name	Examination Time
24-04-2017	CE2001 CE2011	Advanced Steel Structure Soil Dynamics and Machine Foundation	9.00 am to 12.00 noon
26-04-2017	CE2002 CE2012	Structural Dynamics Ground Improvement	9.00 am to 12.00 noon
28-04-2017	CE2003 CE9056	Theory of Elastic Stability Pavement Analysis and Design	9.00 am to 12.00 noon
01-05-2017	CE9025 CE9051	Soil-Structure Interaction Soil-Structure Interaction	9.00 am to 12.00 noon
03-05-2017	CE9021	Advanced Bridge Engineering	9.00 am to 12.00 noon
05-05-2017	CE9023 CE2013	Applied Numerical Methods Applied Numerical Methods	9.00 am to 12.00 noon

All examinations will be held at Dept. of Civil Engineering Drawing Hall
All examinees are instructed to be present at the examination hall twenty minutes before the commencement of examination.
All examinees are instructed to bring **admit card**.

Date :18.04.2017

PG (Structure and Geotechnical Engineering)
(Department of Civil Engineering)

HOD (i/c)
(Department of Civil Engineering)

Copy to :

1. Notice Board (Dept. Of Civil Engg.)
2. P.G. & Research Cell
3. All concerned faculties
4. Covener, ITIC- for upload in website
