2017
OPJEMS
nurturing future leaders

July 27, 2017

We are delighted to launch the **OP Jindal Engineering & Management Scholarships (OPJEMS)** for the year 2017 on August 7, 2017.

As you may be aware, the OP Jindal Engineering and Management Scholarship (OPJEMS) is an endeavor to promote excellence and the values of Shri O.P Jindal who stood for perseverance, humility, entrepreneurship and character. Shri O. P. Jindal was one of those few people who not only envisioned success for himself, but also for those who shared his vision and had the faith to see his dreams transform into India's shining example of corporate excellence.

OPJEMS aims to identify and recognize meritorious Graduate/ Post Graduate students who emulate Shri O.P Jindal's vision/values and have the potential to become leaders in entrepreneurial and innovation excellence.

We believe that your institute provides platforms that nurture and channelize ambition towards value enhancement - at both the individual and national level. We are looking forward to your participation and support towards the OPJEMS program for 2017.

The program would identify around 100 deserving students from 40 prestigious institutes across the country and award scholarships to the value of:

Engineering - INR 80,000 per student
Management - INR 50,000 per student

We have partnered with People Metrics Pvt. Ltd, a leading assessment consulting firm, to help us execute the OPJEMS 2017 program with ease and efficiency. Representatives of People Metrics Pvt.
