Sub: Observance of Vigilance Awareness Week – 2012

Ref: Letter No. 012/VGL/063, dated 28/09/2012 (Circular No. 16/08/12) from Secretary, Central vigilance Commission, GOI.

1. Vigilance Awareness Week – 2012 November 01-07, 2012.
2. The theme for the year will be “**Transparency in Public Procurement**”.
3. Substantive part of activities of a number of public organizations includes procurement of goods, works and other services. Integrity in public procurement, therefore, is a priority area in any anti-corruption strategy. The risk of corruption in public procurement is dependent on various factors like cost of the procurement, complexity of the technology involved, the urgency to acquire the goods or immediacy of the project and the extent of discretion enjoyed by the procurement officials. A sound procurement system should be able to address these risk factors. For emphasizing transparency, accountability and probity in public procurement, the Institute will be committed to raise awareness.
4. Apart from creating awareness, the Institute expects public organizations to introduce e-procurement, e-payment etc. by leveraging technology and make measurable progress in the days ahead in this regard. The Institute emphasizes the public officials to act with integrity, without any fear or favour. Wherever there is a knowledge gap with regard to public procurement; measures for proper capacity building should be undertaken.
5. Head of Departments / Sections are requested to observe the week as suggested in the letter. A meeting of all faculty members, officers and staff members will be held on November 07, 2012 at 05:00 PM at the Assembly Hall to discuss about vigilance awareness amongst all. Heads are requested to take the pledge (as enclosed) along with all faculty and staff members of the departments / sections and take their signature and submit the same to the office of the undersigned by November 30, 2012, by each Department / Section.
6. A report about the manner in which the Week was observed will be sent to the Central Vigilance Commission by December 15, 2012 from our Institute.
