Dr B K Sarkar and Dr. S Patra have come in direct contact with COVID-19 positive patient Mr. Nirmal Maji on 18/08/20 and 15/08/20 respectively. Both of us are in self quarantine in home now and till further notice. We will give telephonic consultation for patients on our scheduled Outdoor/duty timings.

It is advisable for patients with fever/cough/cold/tiredness or any symptoms of COVID-19 to opt for telemedicine, in order to minimize the risk of infection to all employees and family members of our community and to other patients who are attending Medical Unit. Patients may contact the on-duty doctor by calling Medical unit number (9434788007/0343-2759111) or personal number of the on-duty doctor.

As advised by our Honorable Director, stay indoors and keep yourselves safe. General patients are also advised to follow telemedicine as far as possible and attend Medical unit if it is really necessary.
