Sub : IChE Awards for the Year 2020 : Ambuja's Young Researcher's Awards for doing Post-Graduate Studies in India after GATE Examination

Dear Ms Gwala,

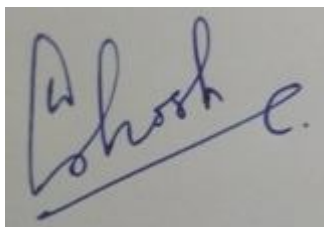

It is our great pleasure to convey to you that your nomination for the above Award of IChE for 2020 for your M.Tech. Thesis on "Treatment of Hydrocarbon-rich Wastewater to Enhance Reusability of Water using Microalgal Strain of Kovalam Beach, India" has been accepted by the concerned committee. Please accept our hearty congratulations. We are sure that you will continue to excel and attain greater heights in your career.

The Awards will be announced during the Indian Chemical Engineering Congress (CHEMCON 2020) of the Institute will be jointly organized by IChE Headquarters and IChE-Hyderabad Regional Centre during December 27-29, 2020 through virtual mode.

I also request you to kindly make it convenient to be present in the programme of inaugural session including award function on December 27, 2020. Since the programme will be held through virtual mode, the meeting link will be intimated to you accordingly at a later date.

With warm regards,

Yours sincerely,
