Steps for Conduct of Inquiry in Complaints of Sexual Harassment

Complaints Committees

1. Complaints Committees have been set up in all Ministries/Department and organisations under them in pursuance to the judgement of the Hon'ble Supreme Court in the *Vishakha* case. As per Section 4(1) of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013("the Act"), the Internal Complaints Committee (referred to as "Complaints Committee" hereafter) is to be set up at every workplace. As per Section 4(2), this will be headed by a woman and at least half of its members should be women. In case a woman officer of sufficiently senior level is not available in a particular office, an officer from another office may be so appointed. To prevent the possibility of any undue pressure or influence from senior levels, such Complaints Committees should involve a third party, either an NGO or some other body which is familiar with the issue of sexual harassment.

What is Sexual Harassment?

2. "sexual harassment" includes any one or more of the following acts or behaviour, (whether directly or by implication), namely:—

- (i) physical contact and advances; or
- (ii) demand or request for sexual favours; or
- (iii) sexually coloured remarks; or
- (iv) showing any pornography; or
- (v) any other unwelcome physical, verbal, non-verbal conduct of a sexual nature.

3. The following circumstances, among other circumstances, in relation to or connected with any act or behaviour of sexual harassment may amount to sexual harassment: -

- (i) implied or explicit promise of preferential treatment in employment; or
- (ii) implied or explicit threat of detrimental treatment in employment ; or
- (iii) implied or explicit threat about her present or future employment status; or
- (iv) interference with her work or creating an intimidating or offensive or hostile work environment for her; or
- (v) humiliating treatment likely to affect her health or safety.

Workplace defined:

4. As per Section 2(o) of the Act, the following places are included within the ambit of the expression "workplace":

- (i) any department, organisation, undertaking, establishment, enterprise, institution, office, etc. --established, owned, controlled or wholly or substantially financed by funds provided directly or indirectly by the Central Government;
- (ii) hospitals or nursing homes;
- (iii) any sports institute, stadium, etc., used for training, sports or other activities relating thereto;
- (iv) any place visited by the employee arising out of or during the course of employment -including transportation provided by the employer for undertaking such journey;

Initial relief

5. The Committee will also have the powers to recommend:-

- (a) to transfer the aggrieved woman or the charged officer to any other workplace; or
- (b) to grant leave to the aggrieved woman up to a period of three months.

(The leave will not be deducted from her leave account.)

Complaints Committee to be Inquiring Authority

6. As per Proviso to Rule 14(2) of CCS (CCA) Rules, 1965, in case of complaints of sexual harassment, the Complaints Committee set up in each Ministry or Department etc. for inquiring into such complaints shall be deemed to be the Inquiring Authority appointed by the Disciplinary Authority for the purpose of these rules. Complaints Committee, unless a separate procedure has been prescribed, shall hold the inquiry as far as practicable in accordance with the procedure laid down in the Rule 14.

Need for investigation

7. The Complaints Committees may act on complaints of sexual harassment when they receive them directly or through administrative authorities etc, or when they take cognizance of the same suo-moto. As per Section 9(1) of the Act, the aggrieved woman or complainant is required to make a complaint within three months of the incident and in case there has been a series of incidents, three months of the last incident. The Complaints Committee may however extend the time limit for reasons to be recorded in writing, if it is satisfied that the circumstances were such which prevented the complainant from filing a complaint within the stipulated period.

8. As mentioned above, the complaints of sexual harassment are required to be handled by Complaints Committee. On receipt of a complaint, facts of the allegation are required to be verified. This is called preliminary enquiry/fact finding enquiry or investigation. The Complaints Committee conducts the investigation. They may then try to ascertain the truth of the allegations by collecting the documentary evidence as well as recording statements of any possible witnesses including the complainant. If it becomes necessary to issue a Charge Sheet, disciplinary authority relies on the investigation for drafting the imputations, as well as for evidence by which the charges are to be proved. Therefore this is a very important part of the investigation.

Dual Role

9. In the light of the Proviso to the Rule 14 (2) mentioned above, the Complaints Committee would normally be involved at two stages. The first stage is investigation already discussed in the preceding para. The second stage is when they act as Inquiring Authority. It is necessary that the two roles are clearly understood and the inquiry is conducted as far as practicable as per Rule 14 of CCS (CCA) Rules, 1965. Failure to observe the procedure may result in the inquiry getting vitiated

10. As the Complaints Committees also act as Inquiring Authority in terms of Rule 14(2) mentioned above, care has to be taken that at the investigation stage that impartiality is maintained. Any failure on this account may invite allegations of bias when conducting the inquiry and may result in the inquiry getting vitiated. As per the instructions, when allegations of bias are received against an Inquiring Authority, such Inquiring Authority is required to stay the inquiry till the Disciplinary Authority takes a decision on the allegations of bias. Further, if allegations of bias are established against one member of the Committee on this basis, that Committee may not be allowed to conduct the inquiry.

11. In view of the above, the Complaints Committee when investigating the allegations should make recommendations on whether there is a prima facie substance in the allegations which calls for conducting a formal inquiry. They should avoid making any judgmental recommendations or expressing views which may be construed to have prejudiced their views while conducting such inquiry.

Decision to issue Charge sheet, and conducting Inquiry

12. On receipt of the Investigation Report, the Disciplinary Authority should examine the report with a view to see as to whether a formal Charge Sheet needs to be issued to the Charged Officer. As per Rule 14(3), Charge Sheet is to be drawn by or on behalf of the Disciplinary Authority. In case the Disciplinary Authority decides on that course, the Charged Officer should be given an opportunity of replying to the Charge sheet. As per Rule 14(5), a decision on conducting the inquiry has to be taken after consideration of the reply of the charged officer.

13. If the Charged Officer admits the charges clearly and unconditionally, there will be no need for a formal inquiry against him and further action may be taken as per Rule 15 of the CCS (CCA) Rules.

The Inquiry-stages

14. In case the Charged Officer denies the charges and his reply is not convincing, the Charge sheet along with his reply may be sent to the Complaints Committee for formal inquiry, and documents mentioned in Rule 14 (6) will be forwarded to the Complaints Committee. As per Section 11(3) of the Act, for the purpose of making an inquiry, the Complaints Committee shall have the same powers as are vested in a civil court under the Code of Civil Procedure, 1908 when trying a suit in respect of the following matters, namely:--

- (a) summoning and enforcing the attendance of any person and examining him on oath;
- (b) requiring the discovery and production of documents; and
- (c) any other matter which may be prescribed.

The Section 11(4) of the Act requires that the inquiry shall be completed within a period of ninety days.

15. The Disciplinary Authority shall also in terms of Rule 14(5) (c) appoint a Government servant as a Presenting Officer to present evidence on behalf of prosecution before the Complaints Committee/ Inquiring Authority. The listed documents are to be sent to the Presenting Officer. The Complaints Committee would, thereafter, summon the Presenting Officer and the Charged Officer. As a first step, the charged officer would be formally asked as to whether he admits the charges. As mentioned above, in case of any clear and unconditional admission of any Article of Charge, no inquiry would be held in respect of that Article and the admission of the Charged Officer would be taken on record. The inquiry would be held, thereafter, in respect of those charges which have not been admitted by the Charged Officer. The Charged Officer is also entitled to engage a Defence Assistant. The provisions relating to Defence Assistant are given in Rule 14(8).

16. The Inquiring Authority is, thereafter, required to ask the Presenting Officer to have the prosecution documents, listed in the Charge Sheet inspected by the Charged Officer. Copies of such documents, if not only given to the Charged Officer, would be handed over to him. The Charged Officer would, therefore, be required to submit a list of documents and witnesses which he wants to produce in support of his defense. The Inquiring Authority would consider allowing such documents or witnesses on the basis of their relevance. Normally, any document or witness which reasonably appears to be relevant and helpful in defense may be allowed. Once the documents have been allowed, the Inquiring Authority would send a requisition for these documents to the custodian of such documents.

17. When the regular hearing commences, the Inquiring Authority would ask the Presenting Officer to produce the documentary evidence. Such documents as are disputed by the Charged Officer have to be proved by the witnesses before they are taken on record. The undisputed documents would be taken on record and marked as exhibits.

Examination of Witnesses

18. Summons would, thereafter, be sent to the witnesses listed in the Charge sheet. The Presenting Officer may choose to produce them in any order he finds appropriate. These witnesses would be examined in the inquiry in the following manner. The examination in chief would be done by the Presenting Officer where the Presenting Officer may ask questions of the witness to ascertain the facts. The witness would, thereafter, be cross-examined by the Defense. After the cross-examination, the Presenting Officer would be given an opportunity to re-examine the witness. In the examination in chief, leading questions are not allowed. These are however allowed in the cross examination.

19. The procedure of Inquiry requires opportunity to the Charged Officer to cross-examine all the witnesses that appear on behalf of the Prosecution. Failure to do so may be construed as a denial of reasonable opportunity to the charged officer, resulting in vitiation of the Inquiry. If the complainant appears as a witness, she would also be examined and cross-examined. The Inquiry Officer may however disallow any questions which are offensive, indecent or annoying to the witnesses, including the complainant.

20. If Inquiring Authority wishes to ascertain some facts for clarity, he may pose questions to the witnesses. This should however, be done in such a manner as to not show any bias for or against the Charged Officer. This has to be done in the presence of the Presenting Officer and the Charged Officer/Defence Assistant. No inquiry should be conducted behind the back of the charged officer. The witnesses will be examined one by one, and the other witness who are either yet to be examined, or have been examined are not allowed to be present during the examination of a witness.

Daily Order Sheet

21. The Inquiring Authority would also maintain a document called Daily Order Sheet in which all the main events of the inquiry and including requests/representations by the Charged Officer or the Presenting Officer, and decisions thereon would be recorded. For example (i) if the Charged Officer refuses to cross-examine the witnesses, this should be recorded in the Daily Order Sheet (ii) the Daily Order Sheet should record that the Charged Officer had been advised that he has the right to engage a Defense Assistant (iii) it should also be clearly mentioned that the Charged Officer was also informed as to who are eligible to assist him as Defense Assistant. (iv) the Daily Order Sheet should also record in case request of the Charged Officer for engaging a particular person as Defense Assistant is disallowed in the light of the existing instructions. Daily Order Sheet should be signed by the Inquiring Authority, Presenting Officer and the Charged Officer/Defence Assistant.

Defence Evidence

22. After the prosecution evidence is over, the Charged Officer is required to submit his statement of defense. In this statement, the Charged Officer is required to briefly indicate his line of defense. After this, the Defense evidence will be taken. The evidence will be produced in the same order as the prosecution evidence. First, the documents allowed by the Inquiry Authority would be taken on record and then the witnesses called and their examination, cross-examination and re-examination done. The only difference here would be that the Examination in Chief would be done by defense while the cross-examination would be done by the prosecution. The defense would then have the opportunity of re-examining the witness.

General Examination of the Charged Officer

23. After the Defense evidence is over, the Inquiring Authority shall ask Charged Officer as to whether he wishes to appear as his own witness. In case he does so, he will be examined like any other defense witness. In case however, he declines to do so, the Inquiring Authority is required to generally question him. At this stage due care is required to be exercised that as per Rule 14(18) the purpose of this stage is to apprise Charged Officer of the circumstances which appear to be against him. This is to enable the Charged Officer to explain them to the Inquiring Authority. Presenting Officer and the Defence Assistant do not take any part in the General Examination. Charged Officer may not be compelled to answer questions during examination by the Inquiring Authority.

Brief

24. After this, the Presenting Officer would be asked to submit his brief. A copy of this brief would be given to the Charged Officer. Both the Presenting Officer and the Charged Officer may be allowed reasonable time for submission of their brief.

25. The Inquiring Authority then writes the Inquiry Report in which the evidence in support of the charges and against them will be examined. The Report should be a speaking one clearly bringing out as to the evidence on the basis of which any particular conclusion has been reached. Based on this analysis, the Inquiring Authority will give its findings on the Articles as proved or not proved. In case any Article of charge is proved only partially, then the Inquiring Authority should record the extent to which that Article has been proved.

Powers of the Committee to make recommendations

26. Normally, the Inquiry Officer is not allowed to make any recommendations in his report. Here the function of the Complaints Committee acting as the Inquiring Authority differs. The Complaints Committee may however, make recommendations including what has been mentioned in para 2 above:

- (c) to grant such other relief to the aggrieved woman as may be prescribed; or
- (d) to deduct from the salary or wages of the charged officer such sum as it may consider appropriate to be paid to the aggrieved woman or to her legal heirs.
- Any amount outstanding at the time of cessation of the services of the charged officer due to retirement, death or otherwise may be recovered from the terminal benefits payable to the officer or his heirs.
- Such compensation will not amount to penalty under Rule 11 of CCS (CCA) Rules in terms of the Explanation (ix) to Rule 11 inserted vide Notification of even Number dated 19-11-2014.
- Committee may recommend action to be taken against complainant, if the allegation is malicious, or the complainant knows it to be false, or has produced any forged or misleading document.
- The Committee may also recommend action against any witness if such witness has given false evidence or produced any forged or misleading document.

27. The Complaints Committee should also remember that as per the Section 16 of the Act, notwithstanding the RTI Act, 2005, information as regards identity and addresses of the aggrieved woman, respondent and witnesses, Inquiry proceedings, Recommendations of the Committee, shall not be published or communicated or made known to public, press or media in any manner. Provided that information may be disseminated regarding the justice secured to any victim of sexual harassment under Act without disclosing the name, address, identity or any other particulars calculated to lead to the identification of the aggrieved woman and witnesses.

28. With the above stage, the inquiry would be formally over. The Inquiring Authority should prepare separate folders containing the documents mentioned in Rule 14(23)(ii).

Suspension

29. A Government servant may also be placed under suspension before or after issue of a Charge Sheet where his continuance in office will prejudice the investigation, for example if there is an apprehension that he may tamper with witnesses or documents. Suspension may also be resorted to where continuance of the Government servant in office will be against wider public interest such as there is a public scandal and it is necessary to place the Government servant under suspension to demonstrate the policy of the Government to deal strictly with officers involved in such scandals. It may be desirable to resort to suspension in case of misdemeanor involving acts of moral turpitude.

Special provisions to deal with threats or intimidation

30. Disciplinary Authority may also dispense with inquiry under Rule 19(ii), and action may be taken without the inquiry when the Disciplinary Authority concludes that it is not reasonably practicable to hold such an inquiry. The circumstances leading to such a conclusion may exist either before the inquiry is commenced or may develop in the course of the inquiry. Such situation would be deemed to have arisen:

- (i) where the Government servant, through or together with his associates terrorizes, threatens or intimidates witnesses who are likely to give evidence against him with fear of reprisal in order to prevent them from doing so; or
- (ii) where the Government servant himself or with or through others threatens, intimidates and terrorizes the Disciplinary Authority, Members of the Committee, the Presenting Officer or members of their family.

Disciplinary Authority is not expected to dispense with the inquiry lightly, arbitrarily or with ulterior motive or merely because the case against the Government servant is weak.
