## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) is made between

National Institute of Technology Durgapur, West Bengal, INDIA, established under Ministry of Education, Government of INDIA by “The Institutes of Technology Act, 2007” having its office at Durgapur- 713 209, West Bengal, INDIA duly represented by Professor Anupam Basu, Director, hereinafter referred to as NITD, which expression shall, unless excluded by or repugnant to the context, be deemed to include its successors in interest and assigns, being the First Party.

And

Sister Nivedita University, Kolkata, established under Sister Nivedita University Act, 2017, having its office at DG-1/2, New Town, Kolkata-700156, duly represented by Prof. Dhruvajyoti Chattopadhyay, Vice Chancellor, Sister Nivedita University, hereinafter referred to as SNU, which expression shall, unless excluded by or repugnant to the context, be deemed to include its successors in interest and assigns, being the Second Party

NIT and SNU will hereinafter jointly be referred to as Parties and individually as Party.

National Institute of Technology Durgapur and Sister Nivedita University, Kolkata are two leading institutions of higher and technical education and research in the country. To promote academic and research cooperation and the development of NIT and SNU as Centres of excellence of higher and technical education and scientific research, NIT and SNU agree to the following broad terms of cooperation.

1. Both the Parties will support each other’s endeavours in delivery of academic programmes and research activities through the following though not limited to:
  - (i) Collaboration in Research Activities
  - (ii) Exchange of faculty in areas of mutual interest
  - (iii) Jointly organize events such as seminars, workshops, conferences and training programmes
  - (iv) Any other matter/s as agreed which are not covered above
2. Both Parties acknowledge and understand that all financial arrangements, if any, will be subjected to prior written agreement and availability of funds for each activity/project undertaken.
3. The MoU remains in place for a period of Three (03) years from the date of signing of the agreement and may be renewed for a further period of Three (03) years or such time period as agreed by both the Parties in writing.
4. No Party shall have the right to use the name or logo of the other party without the prior approval of that party in writing.

5. The terms of this MoU may be modified/ amended at any time subject to mutual written agreement. Such modifications/changes shall be effective from the date on which both the parties execute them in writing.
6. The MoU may be terminated by either Party by giving 3 months written notice. In the event of termination, both Parties shall ensure that the interest of students working/projects under this MoU is safe-guarded to the extent possible.

## Responsibilities of the Parties

Both Parties mutually agree to identify various areas of interest, and depute faculty/officials as per the requirements with mutual consent. The inviting institution shall extend local hospitality to the deputed person.

Both the Parties shall identify faculty for accomplishing the above laid down objectives. Each Party shall attempt to make such faculty available as and when required.

Both the Parties shall organize regular faculty interactions/meets to promote research interaction and collaboration among their faculty members. These meets may be organized for entire institute or specific to any department or school as per mutual convenience.

Each individual research collaboration shall have separate agreement/terms of contract that addresses issues such as Intellectual Property Right (IPR), funding pattern, disclosure of confidential information etc.

In the event of any dispute or difference arising in the implementation of the MoU, such disputes shall be resolved amicably by mutual discussions by the Director of NITD and Vice Chancellor of SNU. All such decisions shall take into account the status of students working/projects under this arrangement and the interest of such students/ projects shall be guarded as much as possible.

Now, based on the aforementioned promise(s), the Parties put their signatures on this MoU on - -

**Memorandum of Understanding (MoU)**  
**between**  
**Vilnius Gediminas Technical University, LITHUANIA**  
**AND**  
**National Institute of Technology Durgapur, INDIA**

**A. Title & Parties**

The purpose of this Memorandum of Understanding (MoU) is to establish an affiliation by and between:

National institute of Technology Durgapur (here referred as NITD) is an autonomous institution of the Government of India under Ministry of Human Resource Development, with legal address registered at Durgapur 713 209, West Bengal, India, of the FIRST PART

and

Vilnius Gediminas Technical University (VILNIUS TECH) is a state higher education institution, acting according to the Statute approved by Decree No. XI-2150 of the Seimas of the Republic of Lithuania as of 28 June 2012, located at Sauletekio al. 11, LT-10223 Vilnius, Lithuania (hereafter referred to as VILNIUS TECH), of the OTHER PART,

have agreed to foster a cooperative relationship, for the purpose of establishing a formal connection to support and promote the exchange of faculty and students along with other activities and programs.

**B. Preamble**

**I. Definitions.** In accordance with the mutual desire to foster cooperation between NITD and VILNIUS TECH, and in order to explore the potential for collaboration in the areas set out below, the two institutions agree to enter the following MoU.

**II. Objectives.** Both institutes agree to develop the collaborative activities listed in Article III., Areas of Cooperation, in the academic areas of mutual interest, on the basis of equality and reciprocity.

**III. Areas of cooperation.** Based on the principles of mutual benefit and agreement, both institutions intend to explore opportunities for collaboration in the priority area of environmental engineering as follows:

- (a) Exchange of students between the two institutions at both the undergraduate and post-graduate level for short-term academic visit.

- (b) Exchange of faculty and research scholars between the two institutions for the purposes of teaching courses, research collaboration, and other discussions.
- (c) Development of joint educational and research activities mutually agreed upon by both institutions.
- (d) Benchmarking of processes and academics through meaningful mutual inputs.
- (e) Research collaboration in the fields with mutual interest between the faculty and staff members of departments and schools of both institutions, including but not limited to the formation of joint research centers, joint application for research funds, joint implementation of research projects, joint publication of academic papers, and jointly organizing international conferences and seminars on mutually agreed research topics.
- (f) Joint supervision for Postgraduate students/ Research Scholars of NITD for internships/ projects/ thesis and vice versa.

**IV. Forms of cooperation.** NITD and VILNIUS TECH agree that detailed terms and conditions that guide each activity identified above will be separately negotiated and agreed upon by the two institutions by each authorized representative signing the implementing agreement for each activity. These terms shall include a description of proposed activity and financial arrangements.

**V. Central Authorities.** Each institution shall appoint one member of its teaching/research faculty to coordinate the program on its behalf.

The VILNIUS TECH contact person will be Prof. Dr Edita Baltreinaite-Gedienne, Research Institute of Environmental Protection, of Vilnius Gediminas Technical University, Sauletekio al. 11, LT-10223, Lithuania Tel: +37052512131/ +370 687 52299, Email: [edita.baltreinaite-gedienne@vilniustech.lt](mailto:edita.baltreinaite-gedienne@vilniustech.lt)

and

The NITD contact person will be Prof. Dr. Susmita Dutta, Professor, Department of Chemical Engg., NIT Durgapur-713209, West Bengal, India. Tel.: +91-9434788120; e-mail: [susmita.dutta@che.nitdgp.ac.in](mailto:susmita.dutta@che.nitdgp.ac.in)

**VI. Implementation of Memorandum**

- (a) Both institutions agree that specific projects and activities shall be developed for the implementation of this Memorandum based on discussions and negotiations between the two institutions. Agreements or contracts shall be signed separately to carry out these projects and activities. However, during the tenure of the MoU or thereafter, both VILNIUS TECH and NITD will be free to take up the similar or same type of work independently and will be free to enter into similar MoU with third parties without disclosing the confidential information of the other party, if any.

- (b) *Use of Names.* Beyond promoting the activities supported by the terms and conditions of this MOU among its faculty, staff, and students, neither Party shall use the name of the other in any other form of advertising or publicity without express written permission from the other Party. For instances of name use that exceed the terms of this MOU, each Party must seek permission from the other by submitting a draft of the proposed use at least 60 days in advance of the proposed use to the other Party's representative, designated in "Notices" below.
- (c) *Academic Freedom.* VILNIUS TECH is committed to preserving and defending the principles and values of academic freedom for their faculty, staff, and students. If collaborative activities implemented under the auspices of this MOU are deemed by either Party to infringe upon that Party's standards of academic freedom, academic rigor, or academic integrity, that Party may withdraw from this MOU immediately without penalty.
- (d) *Non-discrimination.* Eligibility for participation in the collaborative activities developed under the auspices of this MOU will be determined without regard to race, sex, color, religion, sexual orientation, marital status, national origin, age, or beliefs. 'VILNIUS TECH' does not discriminate on the basis of race, color, national origin, ethnic origin, religion, creed, age, physical or mental disability, veteran status, uniformed service, political belief, sex, sexual orientation, gender identity, gender expression, pregnancy, marital status, genetic information, social or economic status, or whether a person is a smoker or nonsmoker, provided that the person complies with 'VILNIUS TECH' policy concerning smoking.

## **VII. Financial Arrangement**

Both institutions agree that all financial arrangements shall be determined on the basis of specific projects and activities and will depend on the availability of funds.

## **VIII. Protection of Intellectual Property Rights**

- (a) *Research Ethics and Respect of Pre-existing Intellectual Property Rights.* The Parties to this MOU are committed to ensuring that faculty, staff and students participating in collaborative activities under the auspices of this MOU adhere to all relevant governing regulations and standards of ethics in the conduct of research, use of data, dissemination of results, and disclosures of conflicts of interest. Unless otherwise agreed to in writing by the Parties, each Party will retain ownership of its Intellectual Property that pre-exists the effective date of this MOU or is developed outside the auspices of this MOU. If collaborative activities implemented under the auspices of this activity are deemed by either Party to compromise that Party's standards of ethics in research or infringe on its pre-existing or independently developed intellectual Property, that Party may withdraw from the MOU immediately without penalty.
- (b) Ownership of any intellectual property (including but not limited to confidential information, know-how, patents, copyrights, design rights, rights relating to computer

software, and any other industrial or intellectual property rights) developed jointly during the course of this Agreement shall be vested in both parties to this MoU, as agreed upon in writing in specific project agreements or implementation plans supporting the activities that result in such jointly developed intellectual property.

**IX. Revision & Amendment**

This Agreement may be amended or modified by a written agreement signed by the representatives of both institutes.

**X. Settlement of Disputes**

In the event of a dispute relating to any aspect of academic cooperation, parties named in article V., above, in cooperation with the senior leadership of both institutions as needed, will jointly coordinate a resolution to the dispute, in the spirit of independence, mutual respect, and shared responsibility.

**XI. Entry Into Force, Duration and Termination, Renewal Clause**

(a) **Entry into force.** This agreement shall come into force after the date of last signature, below.

(b) **Duration and termination.** The Memorandum will remain in effect for five years, or until one party gives the other a written notice of termination one month in advance. Once terminated, neither NITD nor VILNIUS TEC' will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, NITD and VILNIUS TECH will ensure that the provisions of this Agreement shall continue to apply to all activities in progress until their completion.

(c) **Renewal Clause.** The Agreement shall remain in force for a period of 5 years commencing from date of last signature. Both institutions will review the terms of the Memorandum ninety (90) days before the expiry of the five-year term with a view to negotiating a further agreement on terms acceptable to both. Institutions may extend the term by written agreement signed by both after review.

**XII. Concluding Paragraph and signature clause**

The individuals signing this MOU on a Party's behalf represent that they have the requisite authority and intent to bind that Party to this MOU. This agreement has been made in the English language in two identical copies, one for each institution.
