Today while given the maths exam at room 107 of new building sir told us not use smart watch or smart phone so I kept it on the desk where the duster where kept .... so after completing the exam I forgot to take my watch , later when I reached home I realised that I have forgot my smart watch so when I revisited NAB I didn't get my smartwatch so I complaint to room number 212 and then to the security officials .

Sir this is my watch . Sir please help me to get this watch 🙏
