MESSAGE

With great pride and delight I wish to congratulate National Institute of Technology, Durgapur for organising the 16th Convocation on 12th January, 2021.

Among all the premier institutes of technical education in our country, NIT, Durgapur has attained its own prestigious place through imparting quality professional education. The institute not only works for giving a strong base to aspiring engineers but also guides young minds to think progressively for the best of society, state and nation as a whole.

I convey my heartfelt congratulations and blessings to all the students who will receive their most coveted degree. I wish the convocation a grant success.
