

## **Internship in NIT Durgapur**

Applications are invited from Indians [(including Persons of Indian Originals (PIOs) and Overseas Citizens of India (OCIs)] and foreign nationals for the Internship in the Departments of Engineering, Sciences, Humanities and Management.

A foreign national here means a person who does not have either an Indian passport or a PIO/OCI card.

Minimum Requirements: Students of any Indian or Foreign institutes at the level of bachelor's or Master's program.

The institute strongly encourages girls and all categories of students.

Application forms for the internship are available on Institute website [Section: CEC]

These Projects for **Engineering & Science students** aim to give participants a broad view of latest and most in-demand technologies and its prospects, so that they could know about the various applications and new achievements in their respective field.

### **Notes:**

Applicants not found suitable for his/her Choice of departmental positions may be considered for any other relevant department in the same area of specialization.

The Institute reserves the right to change/modify this advt. at any time without assigning any reason.

### **The last date for receiving applications: All over the Year**

All correspondence is to be addressed either to the Head of the concerned Departmental office or to the Chairman's office of CEC. Contact details of Heads of the different Departments are available on the Institute website: <http://www.nitdgp.ac.in>.

For any clarification, please contact:
