BETWEEN

Central Manufacturing Technology Institute (hereinafter referred to as the "CMTI") an autonomous organization and registered as a society under Mysore Societies Act and under the administrative control of the Ministry of Heavy Industries, Government of India, a premier research institution of the country, having its main office at Tumkur Road, Bangalore 560 022 and represented by its Director. (This expression shall unless excluded by or repugnant to the subject or context to include its successors and assigns.)

AND

National Institute of Technology Durgapur, West Bengal-713209, INDIA (hereinafter referred to as the "NIT-DGP") is a leading institution of higher and technical education and research in the country, represented by its Director (This expression shall unless excluded by or repugnant to the subject or context to include its successors and assigns.)

The Parties entering into this agreement to promote academic and research cooperation, the two institutions agree to the following broad terms of cooperation.

1. Both the institutions will support each other's endeavours in delivery of academic programmes and research activities through the following though not limited to:
 - (i) Joint supervision of Ph.D. research
 - (ii) Joint supervision of projects of postgraduate students
 - (iii) Formation of joint research groups
 - (iv) Exchange of faculty / scientists in areas of mutual interest
 - (v) Exchange of scientific and technical information
 - (vi) Undertaking collaborative research activities through participation in nationally and internationally funded projects
 - (vii) Jointly organize events such as seminars, workshops, conferences and training programmes
 - (viii) Training of students as per facilities and resources available
 - (ix) Sharing of Library facility
 - (x) Offer discounted rates to the other institution for testing and analysis
 - (xi) Any other matter/s as agreed which are not covered above
2. Both parties acknowledge and understand that all financial arrangements, if any, will be subjected to prior written agreement and availability of funds for each activity/project undertaken.
3. The MoU remains in place for a period of **five years** from the date of signing of the agreement and may be renewed for a further period of five years or such time period as

agreed by both the parties in writing. If the MOU is not actively renewed, it expires automatically.

4. No party shall have the right to use the name or logo of the other party without the prior approval of that party in writing.
5. The terms of this MoU may be modified /amended at any time subject to mutual written agreement. Such modifications/changes shall be effective from the date on which both the parties execute them in writing.
6. The MoU may be terminated by either party by giving 3 months written notice. In the event of termination, both parties shall ensure that the interest of students working/projects under this MoU is safe-guarded to the extent possible.
7. Non-Disclosure to each other's confidential data. If necessary, in future, the disclosure of data can be done with both party's consent.
8. Each individual research collaboration shall have separate agreement/terms of contract that addresses issues such as Intellectual Property Right (IPR), funding pattern, disclosure of confidential information etc.
9. In the event of any dispute or difference arising in the implementation of the MoU, such disputes shall be resolved amicably by mutual discussions by the Directors of both the institutions. All such decisions shall take into account the status of students working/projects under this arrangement and the interest of such students/ projects shall be guarded as much as possible.
10. The Courts having jurisdiction at **Durgapur** shall have the exclusive jurisdiction on matters arising out of this MoU.

Responsibilities of the Parties

- Both parties mutually agree to identify various areas of interest, and depute faculty/officials as per the requirements with mutual consent. The inviting institution shall extend local hospitality to the deputed person.
- Both the institutions shall identify faculty/scientist for accomplishing the above laid down objectives. Each party shall attempt to make such faculty/scientist available as and when required. Such identified faculty/scientist may be given Visiting or Adjunct faculty/scientist appointments in accordance with the norms and procedures of the host institution.
- Both the institutions shall organize regular faculty/scientist interactions/meets to promote research interaction and collaboration among their faculty/scientist. These meets may be organized for entire institute or specific to any department or school as per mutual convenience.

IN WITNESS HEREOF, the parties have set their hands to it on the 01st Day, December Month and Year 2021 (Two Thousand Twenty one)
