Dear Server Support Team,

I would like to inform you that I have unfortunately lost my gold chain within the institute premises today.

I visited NAB, Main gate, Basket ball court, Techno, North gate and hall 14.

I would also request you to please circulate this message among all students and staff members so that, in case anyone comes across it, they can contact me.

I would be very grateful for your support and cooperation.

Yours sincerely,

Yash Tiwari
