I am writing to report a lost MacBook charger left behind in **NAB 402** today during the **first shift** of the Accenture recruitment drive. I have attached a photo of the charger for reference.

Could you please check if it was handed into the IT support desk or collected by any TPR?

As this is a high-value item (~₹15,000) and essential for my daily work, I would be extremely grateful if you could also forward this message or issue a quick notice to the students who attended that drive session in case someone picked it up by mistake.

Details for Contact:

- **Name:** Aditya Thakur
- **Roll No:** 24BT8006
- **Phone:** 9709137284

Please reach out via phone or email if it is found so I can arrange to pick it up immediately. Thank you very much for your help and support.
