Re: Relationship between Spectris Limited and its subsidiaries, Malvern Panalytical B.V. and Spectris Technologies Private Limited

TO WHOM IT MAY CONCERN:

Spectris Limited ("Spectris") is a leading supplier of productivity-enhancing instrumentation and controls. Our businesses are leaders in the markets they serve, with recognised brands and award-winning products. We make highly-specialised measuring instruments and controls for some of the most technically-demanding industrial applications.

Spectris was re-registered from Spectris Plc, a public limited company, to a private limited company on 10 December 2025. This was following the acquisition on 4 December 2025 of the Company's entire issued share capital by Project Aurora Bidco Limited ('Bidco'), which is indirectly wholly owned by investment funds and vehicles advised or sponsored by Kohlberg Kravis Roberts & Co. L.P. ('KKR'). The Company's shares delisted from the Official List of the Financial Conduct Authority and the cancellation of the admission to trading of Spectris Shares on the London Stock Exchange's Main Market for listed securities took effect at 7.30 a.m. on 5 December 2025.

We would like to confirm as follows:

- Malvern Panalytical B.V. is a part of Spectris and is a wholly owned subsidiary of Spectris. Spectris owns all assets including the manufacturing sites of Malvern Panalytical and the brand Malvern Panalytical, Micromeretics and Claisse.
- Spectris Technologies Private Limited is our subsidiary office in India with their Head Office in Gurgaon, at Unit No P560-562, 5th Floor, JMD Megapolis, Sohna Road, Sector 48, Gurgaon 122 001 & Registered address as A-1/367, 2nd Floor, Janakpuri, New Delhi - 110058. As our subsidiary, it is responsible for our business in India including sales and service of all our products and services. New Delhi is our registered office in India and the Certificate from the Ministry of India to conduct business in India is attached.
- The financial results of all the various Group companies owned by Spectris are consolidated and reported in the audited 2025 financial statements of Bidco. These accounts are anticipated to be published later in 2026.

We trust that this clarifies the relationship between Spectris and its group companies, and proves beyond doubt that Spectris is a bona fide, reputable and qualified supplier in India for our range of products.

With best regards,

H Huband.
