Dear Server Support Team,

I am writing to inform you that I have lost my boAt Airdopes 141/8 bluetooth Earbuds, on campus on 22nd Aug 2026, after the orientation program, probably near auditorium or in front of SBI or in the way to return to hall 13 from Auditorium possibly around 6:00pm - 6:30 pm in the evening. The charging case/buds looks like the attached image, case cover is black in colour.

I kindly request you to please circulate this mail among all institute users so that if anyone has found them, they can reach out to me. My details and image of earbuds are attached for your reference.
