Dear Server Support Team,

I hope you are doing well. I would like to request your help in circulating a notice to all students regarding my lost earbuds.

I have lost my OnePlus 3 Pro earbuds (blue color) somewhere on the college campus. If anyone has found them, they can kindly contact me at lokeshmadugani@gmail.com.

I would be very grateful if you could please forward this message to the student mailing lists.

Thank you very much for your support and assistance.

Warm regards,
