

### Admission to Ph.D. Program 2021

Dear Candidate /Applicant,

Online written test and Viva will be conducted as per relevant Advertisement/Institute directive(s);

Date of Written Test **18-9-2021 (Saturday) commencing at 4.00 PM (afternoon)**. Duration 60 min, Full marks **40**.

(PART-A: Compulsory Section as per GATE CS syllabus (30) and PART-B: Any 10 Questions out of 24 Questions [Security-04, Theoretical CS-04, Computer Networks-04, AI & Machine Learning-04, DBMS-04, Adv. Architecture-04]).

You have to respond to the test and send the scanned copy of your rough work/calculation sheets /Answer script used for the test via REPLY from your communicated mail ID ONLY.

During the test, you are requested to keep yourself on video mode in the link: <https://meet.google.com/sun-boos-ojf> for the purpose of communication/interaction during the examination from NIT Durgapur only.

The entire exam will be online. The link to the Written Test /question paper will be communicated to you before the exam time on that day. Use additional sheets/rough papers for any computation required to solve any problem of the question paper. No link will be there to upload that rough sheet. This rough sheet is to be sent to the communication mail only. It will be scrutinized/verified by the experts with your online submission. Candidates not appearing for written test or not responding with a scanned copy of rough sheets will be considered absent.

1. On the evaluation of the written test, only successful /shortlisted candidates will be informed via email for attending online **Viva on 21-09-2021 (Tuesday) commencing at 9.30 am onwards**: link will be sent **only to successful candidates** in due course of time. A tentative slot of successful candidates will be there in institute website soon.
