Dear Server Support Team,

Kindly forward this email to all users.

My name is Eswar Reddy, a 3rd-year student from the Department of Electrical Engineering. I have lost my institute ID card on January 1st, 2026. I last had it with me at Chandu Canteen, and it is possible that I misplaced it there.

If anyone has found my ID card, I kindly request them to contact me at Ph: 7337014462. I would be very grateful for any help in this regard.

Thank you for your support.

Yours sincerely,  
Eswar Reddy
