MAHATMA GANDHI AVENUE, DURGAPUR-713209

West Bengal, INDIA, [www.nitdgp.ac.in](http://www.nitdgp.ac.in) \

(An Autonomous Institution of the Govt. of India under MHRD)

Dated: 28/01/2026

## Advertisement for the post of Project Assistant (PA)

**Project Title:** Nano-technological Intervention on jute-geotextile to adapt long term sustainability and enhanced durability for its cost effective and wide application in flexible pavement system (NITD/SRCC/SP/CE/2021/16)

**Funding Agency:** National Jute Board (NJB), Ministry of Textiles, Govt. of India

**Project Summary:** The project aims to enhance the long-term sustainability and durability of jute geotextiles through nano-technological interventions for their cost-effective and wide application in flexible pavement systems. The work involves laboratory-based large-scale physical model testing and periodic project site visits for field performance monitoring of road sections.

### **Qualification for Project Assistant (PA):**

Name and Number of the post	Eligibility Criteria	Duration	Stipend
<b>Project Assistant (PA)</b> No of the Post: One (01)	<b>Diploma in Civil Engineering with minimum 65% marks and one year working experience.</b>	The appointment is valid up to 10th November 2026 or until the completion of the project, whichever is earlier, subject to continued funding and satisfactory performance.	<b>Rs. 20,000/- per month for the stipend period</b>

### **How to Apply:**

Eligible and interested candidates are invited to apply for the position by submitting a cover letter along with their complete bio-data—including scanned copies of all mark sheets and certificates from Class 10 onwards—via e-mail to [spal.ce@nitdgp.ac.in](mailto:spal.ce@nitdgp.ac.in). The subject line of the e-mail should clearly state:

**“Application for the Post of Project Assistant in the NJB-Sponsored Project entitled ‘Nano-technological Intervention on Jute-Geotextile to Adapt Long-Term Sustainability and Enhanced Durability for Its Cost-Effective and Wide Application in Flexible Pavement System’”**

The last date for submission of applications is 15<sup>th</sup> February, 2026.

### **Mode of Selection:**

Shortlisted candidates will be informed via e-mail. The selection interview will be conducted offline at the Department of Civil Engineering, NIT Durgapur, and candidates are required to bring all original documents along with one set of self-attested photocopies for verification.

### **Terms and Conditions:**

1. Applications reaching after specified time may not ordinarily be entertained.
2. Canvassing in any form will disqualify the candidature.
3. The selected candidate is expected to join immediately after recruitment.
4. The selected candidate may have to work outside the normal working hours and normal working days without additional incentives.
5. Selected candidates will produce the original ID proof, the original mark sheets, certificates etc., at the time of joining, otherwise, his/her candidature will be rejected.
6. Other terms and conditions will be as per those of NIT Durgapur.

*01. 28/01/2026*

Dr. Supriya Pal

Associate Professor, Civil Engineering

National Institute of Technology Durgapur

Durgapur, West Bengal, India.
