I parked my Hero cycle on the night of 13 May near the Channel Gate of Hall 14. However, on the night of 14 May, I found that the cycle was missing.

We checked the CCTV footage, and it was seen that someone took the cycle on 14 May at around 12:38 PM. I have attached the photo of the person from the CCTV footage along with the photo of my cycle for reference.

Kindly circulate this message among the students. If anyone has any information regarding the cycle, please contact me at 6204373962.

Myself Ashish Raj,
Second Year B.Tech Student,
Hall 14.

Thank you.

Regards,
Ashish Raj
