3. The Institution and the Ministry would arrive at an agreement on which NIRF Ranking category should be applied for the Institution and then the evaluation would be done on performance in that category only. 4. For parameters like ragging cases, anti-sexual harassment cases, rank of JEE Mains admitted and NIRF ranking, a lesser value than existing level would be taken as successful achievement, and achievement parameter would be accordingly modified.
5. Score given on each parameter would be as follows: Excellent- 10; Very Good - 8; Good- 6; Fair- 4; Poor- 2
6. If an Institution does not participate in NIRF Ranking exercise in the current year, the weightage would remain at 20 for the NIRF parameter and the Institution would get a zero score on it. [The minimum point in the evaluation system is 2]
7. Overall Score of an Institution would be calculated as follows: Sum (Score of each Parameter" Parameter weightage) * 100 / Total weightage

OFFICE MEMORANDUM

Subject: Revision of quantum of reservation for Scheduled Castes, Scheduled Tribes and Other Backward Classes in case of direct recruitment to Group 'C' and 'D' posts normally attracting candidates from a locality or a region.

The undersigned is directed to say that reservation for Scheduled Castes and Scheduled Tribes in case of direct recruitment to Group 'C' and 'D' posts, normally attracting candidates from a locality or a region, which is generally fixed in proportion to the population of the Scheduled Castes and Scheduled Tribes in the respective States/UTs, was last fixed in 1985 on the basis of the 1981 Census. Reservation for Other Backward Classes in such cases was fixed in 1993 keeping in view the proportion of their population in the respective States/UTs subject to a ceiling of 27% while also ensuring that the total reservation for SCs, STs and OBCs did not exceed the limit of 50% in any case. It has now been decided to revise the quantum of reservation for SCs, STs and OBCs in case of direct recruitment to Group 'C' and 'D' posts normally attracting candidates from a locality or a region, keeping in view the figures of the 2001 Census, as given in the Annexure to this O.M.

2. These orders will take effect from the date of issue of this O.M. However, the cases where requisitions for filling up the posts have already been sent to the recruiting agencies or posts have already been advertised in accordance with the percentages of reservation existing prior to issue of this O.M., need not be re-opened.

3. It is requested that contents of this O.M. may be brought to the notice of all concerned.

Department of Personnel and Training

New Delhi, Dated the 4th July, 2007

OFFICE MEMORANDUM

Subject:- Revision of quantum of reservation for Scheduled Tribes in case of direct recruitment to Group 'C' and 'D' posts normally attracting candidates from a locality or a region in the State of Goa.

The undersigned is directed to invite attention to this Department's O.M. No. 36017/1/2004-Estt.(Res.) dated 5th July, 2005 revising the quantum of reservation for Scheduled Castes, Scheduled Tribes and Other Backward Classes in case of direct recruitment to Group 'C' and 'D' posts normally attracting candidates from a locality or a region keeping in view the figures of the 2001 Census. The quantum of reservation for SCs, STs and OBCs in case of direct recruitment to Group 'C' and 'D' posts normally attracting candidates from the regions of the State of Goa was fixed as 2%, 0% and 18% respectively. Some communities in the State of Goa have since been notified as Scheduled Tribes by the Scheduled Castes and Scheduled Tribes Orders (Amendment) Act, 2002 dated 8.1.2003 after the Census 2001 was conducted. As a result of this, the proportion of population of STs in the State of Goa is now estimated at 12.07%. It has accordingly been decided to fix the quantum of reservation for STs in case of direct recruitment to Group 'C' and 'D' posts normally attracting candidates from a locality or a region in the State of Goa at 12%. The entry against Sl. No. 06 of Annexure to this Department's O.M. No.36017/1/2004-Estt.(Res.) dated 5th July, 2005 would, therefore, stand substituted by the following: -

Sl.No.	Name of the State/UT	Percentage of reservation		
		SCs	STs	OBCs
(1)	(2)	(3)	(4)	(5)
06	Goa	2	12	18

2. These orders will take prospective effect from the date of issue of

this O.M. However, the cases where the vacancies have already been advertised in accordance with the percentages of reservation existing prior to issue of this O.M. may not be reopened.

3. Contents of this O.M. may be brought to the notice of all concerned.
