

NIT Durgapur secures the runner-up position in the Nationals in the "voice for BT" Inter collegiate public speaking contest

Congratulations
Ms. Dyuti Mitra!!!!

What is Voice for BT ? "Voice for BT" is a Public Speaking contest, conducted every year by Association of Biotechnology Led Enterprises (ABLE) and supported by Novozymes South Asia ; which gives an opportunity for the students to voice their views on various topics on Biotechnology.

The event was conducted in two stages- the first at the zonal level at all the four regions in India, this year's eastern zonal being conducted at KIIT Bhubaneswar. The first two winners from each region then competed in the National Finals of the event held at VIT Vellore.
