My name is Raj Sinha Mahapatra, Roll No. 23EE8043, and I am a B.Tech 4th-year student.

I was giving my Apple Online Assessment, which was scheduled at 2:00 PM on 27 August 2026. Unfortunately, I forgot to take my HP Omen 16 230W laptop charger after the assessment.

This is urgent for me, so if anyone has found the charger or knows where it is, please contact me at ph no : 8001369380 as soon as possible.
