**Separate Audit Report on the accounts of the National Institute of Technology, Durgapur for the year ended 31 March 2023**

We have audited the attached Balance Sheet of the National Institute of Technology, Durgapur, as at 31 March 2023, the Income and Expenditure Account and Receipts and Payments Account, for the year ended on that date, under Section-19(2) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, read with Section 22(2) of the National Institutes of Technology Act, 2007. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements, based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only, with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions, with regard to compliance with the Law, Rules and Regulations (i.e., Propriety and Regularity aspects) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:
- i. We have obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary for the purpose of our audit;
  - ii. The Balance Sheet and Income and Expenditure Account/Receipts and Payments Account, dealt with by this report, have been drawn in the revised format of Accounts prescribed by the Ministry of Education (erstwhile Ministry of Human Resource Development), Government of India, for Central Education Institutions, vide order No.29-4/2012-PD dated 17 April 2015.
  - iii. In our opinion, proper books of accounts and other relevant records have been maintained by the National Institute of Technology, Durgapur, as required, insofar as it appears from our examination of such books.
  - iv. We further report that

#### **Comments on Accounts**

##### **A Balance Sheet**

##### **1.1 Liabilities**

##### **1.1.1 Current Liabilities and Provisions (Schedule 3): ₹33.30 crore**

Despite similar mention in the previous year's audit report, and in violation of the Format of Accounts approved by MoE, the above head was overstated by ₹9.77 crore, due to inclusion of the fund balances and interest, of the 'Contributory Provident Fund' (₹9.77 crore). This also resulted in overstatement of the 'Current Assets' (Schedule 7) by same amount.

##### **1.2 Assets**

##### **1.2.1 Current Assets (Schedule 7): ₹261.97 crore**

The above head was understated by an amount of ₹3.44 crore due to non-depiction of Prepaid expense (proportional expense) in respect of annual subscription of e-journal for 2023-24. The Institute has erroneously booked an amount of ₹4.93 crore as intangible assets which are annual

Subscriptions for database and e-journals spanning over the period 22-23 (₹1.49 crore) and 23-24 (₹3.44 crore). This has also resulted in overstatement of fixed assets by the same amount.

## **B Income and Expenditure Accounts**

### **2.1 Expenditure**

#### **2.1.1 Academic Expenses (Schedule 16): ₹1.61 crore**

The Institute has erroneously booked an amount of ₹4.93 crore as intangible assets which are annual subscriptions for database and e-journals spanning over the period 2022-23 and 2023-24. Resultantly, Academic Expenses did not include an amount of ₹1.49 crore as proportional expenditure incurred for annual subscription of e-journals and databases for the year 2022-23 which needed to be booked as Academic Expenses. This has resulted in understatement of Academic Expenses and overstatement of excess of income over expenditure by the same amount.

#### **2.1.2 Depreciation (Schedule 4): ₹19.56 crore**

The above head was understated by an amount of ₹0.27 crore due to charging of depreciation at the rate of 20% (applicable for 'Computer Peripherals') instead of 40% as applicable for 'Compute Software (intangible Asset)', as the Institute had included Computer Software valuing ₹1.37 crore under the Asset head 'Computer Peripherals'. This has further resulted in overstatement of excess of Income over Expenditure.

## **C General Comments**

3.1 The Institute had not collected any Certificate of Accrued Interest from Bank. Instead calculated Accrued Interest on their own, considering a flat rate of Interest for all Investments.

3.2 In contravention to the Format of Accounts as prescribed by the MoE (Erstwhile MHRD), the Institute has not depicted its utilisation of Capital Grants in Schedule 10 and Schedule 3C. Instead, it has depicted the Unutilised Capital Grants received from the Ministry under Schedule 2 (Earmarked Fund).
