

NOTICE FOR AMBULANCE USAGE

Date: 26/09/23

At present only one ambulance is available round the clock at the Medical Unit.

1. Ambulance is functional to all the students, employees and their dependents inside the campus for Emergency situations only.
2. First year students will be given ambulance from hostel to Medical Unit and vice-versa (refer table below), from Medical Unit to outside hospitals and vice-versa for Outdoor consultation and investigations.
3. For receiving first dose (only) of Anti-Rabies Vaccine from SD hospital, patients may get ambulance. For remaining doses patients should reach on their own.
4. Ambulance will not be given for patients who reside outside NIT campus. For exceptions/emergencies, permission should be sought from competent authority.
5. No student or employee will keep the ambulance in waiting in a particular place.
6. Ambulance will not be provided for outdoor consultation & investigations to outside hospitals to anyone except first year students.

For first year students, Ambulance will reach the hostel at specified timings (for outdoor problems) to transport the students to Medical Unit and vice-versa.

Hostel	Morning OPD	Evening OPD
Hall-10	10AM	5.30PM, 7.30PM
Hall-11	12PM	6.30PM, 8.30PM

The security person/ care-taker in the hostel will call the Medical Unit after accumulating the students at the particular time for better usage of the ambulance. The timing may differ according to the availability of the ambulance in emergency situations.
