I am writing to report a lost item. I have misplaced my black Boat Airdopes Alpha charging case with the earbuds inside.

I believe I lost them today, October 14th, between 11:30 AM and 11:45 AM, somewhere along the path from Hall 4 to the ECE Department.

If you happen to find them or have any information regarding their whereabouts, please contact me at your earliest convenience. I have attached an image of the airdopes for your reference. You can reach me at:

- **Email:** sd.24p10202@nitdgp.ac.in

Your help in this matter would be greatly appreciated. Thank you for your time and consideration.

Sincerely,

Swadhin Das
