Selection Procedure For PhD Programmes

Candidates are advised to visit NIT Durgapur and identify a supervisor for relevant area of research. He/she would inform the TEQIP Coordinator at NIT Durgapur, and submit a request for permission under this scheme. Selection under this category will be made directly subject to fulfillment of eligibility criteria as per TEQIP norms. A screening of applications may be made and only the short-listed candidates will be called for viva voce.

Academic Section, upon approval from the concerned department and institute, would arrange for a formal admission letter. Upon receiving the admission letter, candidate would inform his/her host institute, and upon its approval, the candidate will register for PhD at NIT Durgapur.

List of selected candidates will be published on the NITD website.

All announcements related to PhD admission will be made through the Institute website (www.nitdgp.ac.in). No communication will be made to any individual separately. Candidates are requested to visit the Institute website from time to time as specified. The Institute will not be responsible in any manner if a candidate fails to visit / access the website in time. No TA/DA will be paid for attending the written test and/or viva voce.

The candidates must bring the printed application form, all the original documents (proof of date of birth, mark sheets and academic certificates, caste certificates, no objection certificates, etc. as applicable) and a set of self-attested photocopies of the same and one colour passport size photographs along with them during the admission process.

Additionally, all the selected candidates who will eventually turn out to be suitable for admission, will be required to submit the migration certificate (in original) at the time of admission as scheduled.
