MAHATMA GANDHI AVENUE, DURGAPUR - 713209, (WEST BENGAL), INDIA

CIRCULAR   Date-22.10.2018

Sir / Madam,

The Honorable Prime Minister, Shri Narendra Modi will be addressing IT companies and IT professionals on 24th October from JN Stadium Delhi to link them to societal issues. The interaction will be live on Doordarshan and on NIC webcast.

The Honorable Prime Minister has time and again praised the contribution of the Information Technology (IT) Industry and Workforce to India's prowess in the technology and digital space. The IT Industry is also known for its conscientiousness and hard work in the social sector.

Now, with the theme of expanding our individual circles from Self to Society, from Me to We, the Prime Minister is issuing a clarion call to all employees working in the IT sector, to contribute on-the-ground in building a New India. To make this contribution easy, impactful and visible, the Ministry of Electronics and Information Technology and MyGov have created the Me2We platform for use by Corporate HRs and their employees.

The Me2We platform comprises of the following:

•Me2We Admin portal (me2we.mygov.in) for IT Industry's Corporate HR or CSR representatives, who will create the organizational profile and upload Initiatives

•Me2We App (available on Google Play Store and App Store) for employees, who will volunteer for Initiatives and contribute their time to on-the-ground tasks

The Government is in the process of establishing a full-fledged support centre for the Self4Society Platform, the coordinates for which will be shared soon. In the interim, for any queries on the Self4Society platform, enrollments, and creation of Initiatives, please reach out to:

1. Shivani Sahay (Shivani.sahay@mygov.in) Mobile: +91-8448589923
2. Saurav Acharya (saurav.Acharya@mygov.in) Mobile: +91-8448589920

This is circulated as per communication received from Secretary (HE), the programme brochure is enclosed for ready reference

Regards,

Registrar (I/C)

Copy to all concerned through email circulation.

Just to clarify to all Institutions, the participation of our institutions is limited to viewing the
programme between 4 pm and 5.30 pm on 24th October.
The interaction will be only with IT Companies.
Regards
Subrahmanyam
