Tomsk, Russia

13th INTERNATIONAL SYMPOSIUM ON
APPLIED ISOTOPE GEOCHEMISTRY

DEAR COLLEAGUES,

We are pleased to announce that **undergraduate** and **postgraduate students** have a great opportunity to cover part of the costs for participation in the WRI-16 through **scholarships**, which will be awarded to the winners of the Essay Contest.

CONTEST CONDITIONS:

1. The participation of undergraduate and postgraduate students is possible only if the manuscript is submitted.
2. The Contest is held from **November 1, 2018** to **December 1, 2018**. Winners will be announced before Early Bird Deadline, please follow the news carefully.
3. The following documents must be submitted:
 - **Contest essay**, designed in accordance with the requirements;
 - **Author's application** for participation in the Contest, designed in accordance with example. Fill out all required fields.

Both, essay and application files should be in one e-mail message. Please end your application files to info@wri16.com with the topic "Scholarship".

The detailed information about the Essay Contest and the Application form you can find [here](#).

If you require any assistance or have any questions regarding submission, please [contact us](#). We are always ready to help you.

We are working hard to create inspiring atmosphere and exciting cultural experience and to make WRI-16 and AIG-13 unforgettable.

We are looking forward to receiving your manuscript and to seeing you in July, 2019 in Tomsk!

Kind regards,

THE ORGANIZING COMMITTEE
