

NATION-WIDE COMPETITION ON LAWS RELATED TO WOMEN

“Just as a bird cannot fly with one wing only, a Nation cannot march forward if the women are left behind” _____ Swami Vivekanand

Thus men and women are the two halves of a perfect whole. The principle of gender equality is enshrined in the Indian Constitution in its Preamble, Fundamental Duties, Fundamental Rights and Directive Principles.

Indian constitution guarantees that there should be no discrimination on the grounds of gender thus there are various legal provisions for women safety and empowerment in the constitution but the irony is half of the population is unaware about the legal rights, even the crime rate against women are very high in India. In this context a nation-wide competition like this will generate the awareness among the students about the legal provisions and their rights.

The INTERNAL COMPLAINTS COMMITTEE organized a competition as a part of Nationwide Competition on **Laws Related to Women** on November 14, 2018.

In the results, 1st to 6th position was bagged by the Students of Masters of Social Work(MSW).
