Hello Sir

We are grateful to you for all the support received for successful implementation of OP Jindal Engineering & Management Scholarship 2019. We would want your assistance one more time for felicitation of the scholarship award to the selected scholars.

A representative from our group will visit your college to felicitate the award. We would be glad to have you for a meet and greet session with the representative followed by felicitation with the Dean/Director to the selected scholar. The OPIEMS team will get in touch with you to decide the dates of the visit on the basis of the feasibility and your availability.

We would like to seek your support as a Campus Representative to make arrangements in the college for the visit. It will be great if you could receive the representative on his arrival, provide him with an overview of your college and arrange a place to meet the Dean and the selected scholars for the felicitation purpose.

Once the felicitation ceremony is done, it will be great to have a confirmation from your end regarding the same.

We highly appreciate all the support for the matter. In case the felicitation does not happen this week, please get back to us for the update about it at the below-mentioned coordinates.

Regards

OPJEMS Team

Jindal Stainless

Hello Sir

You might have received a call from the representative of the Jindal Group about the details for the visit to the campus. As per your discussion, please find the details of the scholars selected from your campus as follows:

1. Nilabro Saha, 2nd Year, Mechanical
2. Prachi Sharma, 3rd Year, Electrical
3. Shreya Srivastava, 4th Year Electrical

For any further assistance, please get in touch with us at the below-mentioned coordinates.
