

Activation of facility to access the academic awards uploaded in NAD

Students who are registered on www.nad.ndml.in and having a NAD ID can access their awards digitally. These awards are digitally verifiable by background check agencies and employers wherein students can also share their digitally signed academic awards as well.

Good news for Students

You can access your degree certificate from NAD.
Please follow the simple steps as stated below

To get your certificate

Login with user ID and password on <https://nad.ndml.in/NAD/login.html>

Go to My Activities > Claim Certificate > Claim Awards

Enter the combination of
Academic Institution Name, Year of Passing and Roll No.

- If DOB/Mobile No. matches and Name matching is greater than threshold limit, then student will be able to claim the award and it will be available in his/her account after login.
- If DOB/Mobile No matches, Name matching is between threshold limits and email ID matches, then student will be able to claim the award and it will be available in his/her account after login.
- If DOB/Mobile No matches, Name matching is between threshold limits and email does not match/not available, then student request is sent to Academic Institution for linking the award with student NAD account.
- If DOB/Mobile No. is not present or does not match, then matching status will get displayed as “Failed”. Student to contact Academic Institution for linking the award with student NAD account.
