

Attention to the students

Here is a great scope for the UG, PG and PhD students of Science, Engineering, Design and Management to participate in the annual students innovation contest '**KPIT Sparkle**'. Our Chairman and Director Sirs are also very eager to see our students exploring this wonderful opportunity. The last date for idea submission is 30th September 2020. Your attention is drawn to the following:

This year the theme consists of two verticals: **Mobility & Energy**. Appreciating the need of the hour, we have introduced a new category under Mobility viz., **Post COVID-19 Safe Mobility Solutions**. Please spread the word amongst your students. As mentioned in the accompanying flyer, Sparkle (<https://sparkle.kpit.com/>) offers a great platform to pitch in their ideas and become innovators/ entrepreneurs.

I am happy to share with you that KPIT Sparkle got **FICCI Award for the 2020 Contest**

Salient Features of the Contest:

- Awards up to **Rs. 21 Lakhs** for students and **Rs. 60K** for their guides.
- Opportunities to build career as an Entrepreneur
- Financial support and incubation opportunities with India's leading Incubation Centres
- Continuous mentoring from Industry Leaders and Academicians
- IP ownership for the student innovator(s).
- Eligibility: Undergraduate, Post-graduate, Ph D students from Science, Engineering ,Design and Manageent streams .

The last date for idea submission is 30th September, 2020.
