**47.04 To consider plan for implementation of ERP for establishment of a smooth process flow for administrative and academic activities of the Institute**

In regard of the proposal placed before the 45<sup>th</sup> meeting of the Finance Committee vide Agenda Item #45.10, the Finance Committee recommended that the National Institute of Technology Durgapur should adopt the ERP system of IIT Kharagpur for smooth process flow for administrative and academic activities of the Institute. Subsequently and as sought by the Representative of Additional Secretary (Technical Education), additional documents have been forwarded to the Ministry. The original financial estimate (**Annexure-II**) (Page-16) was revised and enhanced by 10% considering inflation, and the same, **amounting to Rs 1.87 Crore towards deployment cost and Rs. 46.2 Lakh per annum towards recurring post deployment cost** is being placed before the Finance Committee for consideration please.

**47.05 To consider the initiation of an Incubation Centre under the aegis of NIT Durgapur for incubating new and start-up companies**

Establishment of an Incubation Centre is being proposed under the aegis of the National Institute of Technology Durgapur to inculcate within the student community and the faculty members of the Institute an ecosystem of innovation leading to the establishment and growth of technology-based start-up companies and other compatible businesses. By fulfilling this mission, the incubator would contribute to job creation, and provide for enhanced economic health of the region.

The proposed incubator would include facility space, flexible leases, shared use of common office equipment, direct business assistance and guidance, mentoring, networking to capital and other technical resources, etc. A network of existing resources would be developed to support incubator client needs. Approximately six to ten clients at a time would be served within the incubator. The facility ab initio is proposed to cover a space of at 5000 square feet, and would include a mix of office and lab space.

A ballpark cost of Rs. 95 Lakh is being proposed as an estimate (**Annexure-III**) (page-17) for consideration of the Finance Committee and subsequent approval.
