

International Women's Day Celebration, IIM Durgapur Chapter in association with IIM Students' Chapter NIT Durgapur jointly organized the **Women in Metallurgy 2021-22** program to give an award to the best undergraduate girl student of Metallurgical and Materials Engineering Department of NIT Durgapur on 27.03.2022 from 11:00 A.M at DM Sen. Seminar hall in physical mode. It is our great pleasure to invite you to this special function.

A technical talk by the Chief guest will be also delivered on the topic '**Metal Additive Manufacturing**'. The program will be live-streamed through your official YouTube channel through this link (<https://youtu.be/-sGm6zcccf8>)

CHAPTER

in association with

INDIAN INSTITUTE OF METALS STUDENT'S
CHAPTER, NIT DURGAPUR

Prof. (Mrs) N. C. Shanti Srinivas

Professor
Department of Metallurgical Engineering
IIT (BHU), Varanasi

Topic:

"Metal Additive Manufacturing"

ABOUT

Prof. (Mrs) N. C. Shanti Srinivas's Field of specialization is Mechanical Metallurgy, Especially formation and Fracture; Phase Transformations; Fatigue of Advanced Structural Materials; Failure Analysis; Additive Manufacturing.

She is also the Fellow of Indian Institute of Metal, Kolkata, India

DATE: March 27th, 2022

TIME: 11 AM, IST
