In April 2018, when my income reached \$ 10,300, they did not pay me. They changed their rules on May 7, 2018, to show me guilty. If my earnings were for April. I asked them to tell the source of the law I had violated, but they did not have a word to say. After my insistence, they referred to a clause in their laws. I was surprised to see that they revised and edited the rules after my insistence!!! Because I had a screenshot of their previous rules, I posted them. But there was no answer to tell. They did not pay my income yet and do not answer me.
