The interested applicants under categories B & C can also apply under various centres of the institute as listed below, if they have their own fellowships and / or applying from a project, which was funded under the centres of the institute (relevant documents are to be produced from respective Centre Coordinators):

- (i) Centre for Research on Environment and Water (CREW)
- (ii) Centre for Biomedical Engineering & Assistive Technology (BEAT)
- (iii) Centre for Advanced Research on Energy (CARE)
- (iv) Centre of Excellence on IoT and Intelligent Systems (IoTIS)

The professional PhD students can also register for PhD studies in the above four Centres of Advanced Research.

Beside above categories, admission of research scholar from foreign institution/organization shall be made as per laid down terms and conditions in MoU with respective institute / organization.

The PhD degree awarded to all categories of students shall be treated as the same and equivalent.

## 2.2. Eligibility for Admission

2.2.1 The minimum qualification required for admission to Ph.D. program is one of the following:

<b>Qualifying Degree*</b> (for relevant discipline)	<b>General/ OBC</b>	<b>SC / ST</b>	<b>Academic and other Qualifications</b>
M. Tech./ M.E./ M. Arch/ M. Pharm / M. S. / MBA/ PGDBM/ PGDM	6.5 CGPA or 60% marks	6.0 CGPA or 55% marks	<p><b>Category A:</b> B. Tech/ B.E./ B. Arch/ B. Pharm / Equivalent with valid GATE. M. Tech./ M.E./ M. Arch/ M. Pharm degrees with or without GATE qualification. Other Post Graduate or Graduate degrees (as listed) with any relevant NET qualification.</p> <p><b>List of NETs:</b> CSIR, UGC, GATE, JAM, GPAT, DBT-JRF, JEST, ICMR, ICAR, NBHM, Bioinformatics National Certification Examination etc. However, these NET qualifications will have to be relevant to the qualifying degree of the candidate concerned. (OM No. SB/S9/2-01/2015 dated 07.01.2015)</p> <p><b>Categories B, C, D and E:</b> As per the terms and conditions of the funding or sponsoring agency.</p> <p><b>Categories F, G, H and I:</b> Same as category A, but GATE/NET qualification is not mandatory.</p>
M. Sc./ M. Com./ MBBS/ BDS	6.5 CGPA or 60% marks	6.0 CGPA or 55% marks	
MA	6.0 CGPA or 55% marks	5.5 CGPA or 50% marks	
MCA	7.5 CGPA or 70% marks	7.0 CGPA or 65% marks	
B. Tech/ B.E./ B. Arch/ B. Pharm / Equivalent	7.5 CGPA or 70% marks	7.0 CGPA or 65% marks	
CA/ ICWAI/ CS with a graduation degree	6.0 CGPA or 55% marks	5.5 CGPA or 50% marks	

\*All the degrees will be from an institute / university recognized by UGC/AICTE/MoE.

The preceding qualifying degrees of the candidates required for admission shall be decided by the respective DRPC. The minimum eligibility criteria for admission to professional PhD program 2019-20 onwards will be same as full-time PhD program under Category A. However, qualification in National Eligibility Tests etc., is not mandatory for professional PhD program.

2.2.2. Scholars under categories C and F must submit a no-objection certificate from the Institute / PI of the project respectively during admission. They shall work for the Ph.D. program without affecting their normal duties.

2.2.3. Research scholars of categories G, H, I and J shall submit a Sponsorship and No-objection certificate, as applicable, from the employer during admission. In case the candidate joins a new organization, submission of a fresh NOC obtained from them is mandatory.

2.2.4. Deleted.

2.2.5. Mere possession of required degree and a good academic record does not guarantee admission to a candidate for the Ph.D. program. Apart from academic record, the DRPC will take into consideration the research aptitude, ability to work in a team, subject interest, availability of supervisors, facilities in the department and the research focus of the department while selecting candidates to the Ph.D. program through a pre-defined process.

## 2.3. Residential Requirement

2.3.1. Normally all full-time candidates admitted to the Ph.D. program will be required to stay in the Institute till they complete all assigned work and submit thesis.

However, for full-time candidates sponsored from Government / Semi-government / major industry with established R&D facilities, the DRPC may recommend to reduce the minimum residential requirement to one year or higher (for completing the course work and formulating the research problem).

2.3.2. If a full-time sponsored candidate intends to carry out a major part of his research work in his place of employment, she/he must convince the DRPC at the time of selection that adequate research facilities and research tradition exist in her/his organisation. While taking the decision DRPC will examine all the documents presented to it regarding adequacy of the R&D facilities available in the sponsoring organisation. These documents have to be furnished by the candidate during the time of interview.

In general major Central Govt. (CSIR, DRDO, DAE, ISRO, CDRC etc.) labs, research organisations, industries (public or private) with established R&D facilities are taken as organisations with adequate facilities.

Regarding recognition of other organisations the DRPC has to make a recommendation on the basis of the material available to it to the Director through Dean (Academic Research) for approval. In every case, the Senate will decide the residential requirement.

**2.3.3.** All Ph.D. (Professional) students including categories H, I and J students are mandated to have contact with the supervisor(s) for discussion and research in the Institute for at least 90 days a year in a single/multiple visit/s.

## 2.4. Admission procedure

2.4.1. Admission of scholars under categories A and B shall be made once in each semester as per a pre-decided schedule indicating the total number of seats available. Dean (Academic Research) will publish the admission notice on the Institute website. The departments will screen the applications based on pre-defined criteria sent by the Academic Section and prepare the shortlist. They will conduct admission tests (for category A), followed by shortlisting based on pre-defined criteria, if needed, and viva voce, and select the candidates on the basis of overall academic performance, written test and viva voce. The department will send the list of selected candidates to the office of the Dean (Academic Research). One expert from other department, selected from a panel of experts nominated by Director, will act as an observer in the viva voce.

2.4.2. Admission of scholars under categories C shall be made once in each semester along with the scholars under categories A and B. The candidate shall submit the application through the Dean (R&C) in the prescribed format of Sponsored Research and Consultancy Cell (SRCC) on recommendation of concerned PI and Head of the Department. The selection procedure will be the same as category A.

**2.4.3** (i) Admission under categories F, G, H, I and J shall be made once in every academic year, during Odd Semester only.

(ii) **Foreign/NRI candidates from foreign institution/organization not having MoU with NIT Durgapur** shall be treated at par with the candidates from foreign institutions/organizations having MoU with NIT Durgapur.

2.4.3.1. The admission under categories F, H and J shall be made directly subject to fulfilment of eligibility criteria fixed by the respective departments, and submission of requisite documents and no-objection/ sponsorship certificate. The admission shall be subject to the availability of suitable supervisor(s) and the endorsement by the department.

2.4.3.2 Admission of candidates under categories G and I shall be made against the admission notice on the Institute website. The departments will conduct admission tests and viva voce, select the candidates on the basis of overall academic performance, written test and viva voce and send the list of selected candidates to the office of the Dean (Academic Research). Dean (Academic Research) shall publish the selection list on the Institute website. The candidates need to produce a sponsorship / No objection certificate in the prescribed format of the Institute during the admission test. For the category I, a Board of external examiners shall be constituted by the Chairman, Senate for the selection process.

2.4.4. Admission of research scholar from foreign institution/organization shall be made as per laid down terms and conditions in MoU with respective institute / organization during the Odd Semester only.

2.4.5. Applications of candidates shall be received by the office of Dean (Academic Research) and forwarded to the departments for screening. Dean (Academic Research) shall publish the short-list of the candidates screened by the departments on the Institute website along with the date, time and venue of the admission test and viva-voce.

2.4.6. Dean (Academic Research) shall publish the selection list on the Institute website. All communication related to the admission procedure shall be made through the Institute website [www.nitdgp.ac.in](http://www.nitdgp.ac.in) only. Regular reservation policy of the Government of India shall apply.

2.4.7. All selected candidates will fill in the admission form (vide **INFORMATION SHEET (PAIS), FORM-1**) and submit an undertaking that she/he would abide by all rules and regulations and codes of conduct of the Institute.

2.4.8. Respective departments shall be responsible for the selection of research scholars.

## **2.5. Withdrawal from Residency**

2.5.1. A sponsored student, pursuing PhD by staying on campus, can become non-resident by taking withdrawal from the residency. She/he may return to his place of work on completion of residential requirement, provided that such a scenario was mentioned in his application for admission and the student has a co-supervisor from his place of employment. The minimum period of work will be extended by one year, except when the student is employed in a superior R&D organization and is engaged in full time research on the same topic as his PhD works. The Joint/ Deputy Registrar (Academic & Examination) will issue a withdrawal order.

2.5.2. When a regular PhD student received the registration number fulfilling all the registration requirements and she/he gets a new job, she/he should apply through DSC for withdrawal of residency. However, the No Objection Certificate must be submitted from the employer.

2.5.3. In case of students, who secure a new job or otherwise wish to move outside the institute and end their doctoral program prematurely, need to refund any scholarship received.

### **3.0. Supervisors (to be read with clause 17.4)**

3.1. The assignment of Ph.D. students to supervisor(s) by DRPC and constitution of Doctoral Scrutiny Committee (DSC) following enrolment/admission of the Ph.D. students will be made within a period of fifteen days from the date of enrolment. Chairperson (DRPC), in consultation with the supervisor/co-supervisor(s), shall constitute the DSC (vide DOCTORAL SCRUTINY COMMITTEE (DSC), FORM-3). The supervisor/co-supervisor(s) shall finalize the broad (tentative) title of the research topic of a selected candidate after mutual discussion.

3.2. All supervisors/co-supervisors of Ph.D. program shall be at least in the rank of Assistant Professor or equivalent having a Ph.D. degree. If a person from outside the Institute, not satisfying these criteria, is proposed to be a co-supervisor, the matter shall be referred to the Senate for decision.

3.3. The weightage of a joint PhD supervision by more than one supervisors shall be considered to be 0.5 while counting the number of total PhD supervision by a faculty member. The maximum permissible total number thus computed shall, however, not exceed six.

3.4. There can be one supervisor and maximum one co-supervisor for a research scholar from the Institute, with maximum one additional co-supervisor from outside.

3.5 The supervisor/co-supervisor must be a regular faculty member of the Institute belonging to the department in which the research scholar will be registered for doctoral studies.

3.6. The co-supervisor(s) may be from the same department of the Institute or other departments / outside.

3.6.1. A person from abroad satisfying the qualification criteria may become a co-supervisor. NIT Durgapur will have, however, no financial responsibility, whatsoever, in the research visits, if any, required for the collaborative research.

3.6.2. Deleted.

3.6.3. Co-supervisors from other institutions/ organizations shall submit curriculum vitae, a consent letter and a no-objection certificate from the employer during formation of DSC, if they do not have MoU with NIT Durgapur.

3.7. Any change in supervisor/co-supervisor shall have to be recommended by the DSC and forwarded to the office of Dean (Academic Research) for approval of Senate.

3.7.1. Change of supervisor/co-supervisor under exceptional circumstances shall be permitted on the recommendation of the DSC, subject to the consent of the research scholar, the present supervisor/co-supervisor and the proposed supervisor/co-supervisor. However, the candidate shall not be permitted to present pre-submission seminar within one year from the date of change of supervisor/co-supervisor.

3.7.2. Addition of co-supervisor shall be permitted on the recommendation of the DSC, subject to the consent of the research scholar. However, the candidate shall not be permitted to present pre-submission seminar within one year from the date of addition of supervisor/co-supervisor.

3.8. When a supervisor leaves the Institute permanently or temporarily for a period exceeding 6 months, the DSC shall appoint a new supervisor for the research scholar before her/his departure.

3.9. Deleted.

3.10. The DSC may consider continuation of the original supervisor on her/his return to the Institute as one of the supervisors.

3.11. A supervisor/co-supervisor after superannuation shall continue to act as the co-supervisor. However, if the research scholar has no supervisor from the department in which she/he is registered, one faculty member of the same department shall be made the supervisor after consultation with the superannuating supervisor and the research scholar. In case of the candidate already presented pre-submission seminar successfully, no additional supervisor shall be necessary.

#### **4.0. Semester Registration**

4.1. A student enrolled in the Ph.D. program will be required to register every semester along with endorsement of satisfactory progress by the DSC (vide Ph.D. SEMESTER REGISTRATION FORM (PSRF), FORM-2) and by paying tuition fees and other Institute dues. The Semester registration is different from PhD registration. A research scholar shall appear before the DSC at the end of each semester to make a presentation of the progress of his/her work for evaluation and further guidance. The DSC shall submit the approved progress report along with the registration form to the Academic Section.

4.2. Sponsored students who have been sanctioned withdrawal also need to do semester registration. They may, however, be permitted to send registration form by post to their supervisor, who will present them to the Academic Section through the HOD.

4.3. Failure to do semester registration within the stipulated dates as per Academic Calendar will result in termination of studentship, which in a very special case can be restored by the Senate on consideration of all circumstances, payment of additional fines and extension of thesis submission date.

4.4. It shall be the responsibility of the student to bring any deviation in his status in matters of course work, registration, withdrawal etc. to the attention of Dean (Academic Research) at the time of semester registration, if she/he has not done so earlier.

4.5. A student may be exempted from semester registration by Dean (Academic Research) / Director if she/he submits thesis within 30 days of scheduled semester registration. However, the student will lose his fellowship (if any) during the said period. If she/he fails to submit the thesis within 30 days, she/he must do the semester registration before the thesis is accepted for evaluation.

4.6. When the examined PhD thesis require revision and sent back to the examiner or the PhD thesis is not recommended / rejected by the examiner, the scholars have to pay semester registration fees to keep his / her studentship valid for the period till his / her thesis is recommended by the examiners. However, the scholarship will not be revived for such cases.

#### **5.0. Ph.D. Registration**

5.1. Every student enrolled in the Ph.D. program is given provisional admission soon after his/her enrolment. The provisional admission defines:

(a) The broad area of research and

(b) The course work to be carried out by the student.

The student continues to work for close to a year before his research plan is properly formulated.

5.2 An enrolled Ph.D. student will be formally registered (vide Registration Form for Ph.D. Programme, FORM-5) for the degree of Ph.D. on completion of following steps:

(a) The candidate has successfully completed all assigned course work,

(b) Worked out a road map of the program and submitted a formal work plan to the DSC and

(c) Delivered an open seminar (Pre-registration seminar) to the satisfaction of the DSC. A tentative research title should be indicated in this seminar.

5.3. Subsequent to obtaining a favourable recommendation from the DSC, the Ph.D. registration fee (as applicable at the time) shall be paid by the candidate. The date when the candidate deposits the PhD registration fee shall be treated as the date of registration.

5.4. The registration of Ph.D. candidates may be approved by Chairperson, Senate and be ratified by the Senate in its subsequent meeting.

5.5. Candidates should normally present the registration seminar not later than five semesters from the date of enrolment, failing which the registration shall be cancelled.

5.6. The final title of Ph.D. thesis shall have to be indicated in the synopsis of the Ph.D. thesis at the pre-submission seminar and shall have to be approved by the DSC, along with the final synopsis of the Ph.D. thesis (clause 7.3).

## **6.0. Course Work**

6.1. Course work is compulsory for all students enrolled for Ph.D. program including those with Master Degree in the same discipline. PhD scholars will have to qualify all the course work as assigned by the DSC.

**6.2.1** (i) All Ph.D. scholars are required to qualify the course “Research Methodology”.

(ii) PhD Students those are admitted under the MoU as well as other Professional PhD Students shall take Research Methodology course offered by NIT Durgapur or by an IIT/NIT/IISER/IISc/CFTI for which request letter shall be sent by NIT Durgapur to the concerned institute on behalf of the candidate. Other courses may be taken at NIT Durgapur or online (NPTEL, MOOCS, etc.).

6.2.2 The DSC will prescribe additional courses as follows:

i) Scholars with M. Tech./ equivalent degree obtained within last 5 years- Minimum 8 credits.

ii) Scholars with B. Tech./ MSc/ MA/ MCA degree or M. Tech. degree obtained more than 5 years ago- Minimum 16 credits.

iii) While this is a general guideline, the DSC may decide on higher credits requirement.

iv) Online courses offered by MOOCS/ NPTEL etc. and conduct online examination may also be utilised for the purpose of credit requirement, as assigned by the DSC.

6.3. Deleted

6.4. The scholars admitted to the Ph.D. programs shall be required to complete the coursework prescribed by the DSC within the first four semesters. Any extension will require the approval of the Senate.

6.5. The scholars will take courses based on the recommendation of the supervisor/co-supervisor(s) and approved by the DSC. The list of courses to be taken by a research scholar during a particular semester shall be endorsed by the DSC and informed to the PG & Research Cell (Academic Section) within seven days from the start of the semester or within seven days from the date of enrolment. In case a course is taken from another department, it is to be endorsed by the Head of the concerned department.

6.6. The scholars enrolled in courses are subject to the same regulations as applicable to other students in the courses with regard to attendance, grading, discipline and assessment.

6.7. The concerned teachers shall forward the grades of the research scholar at the end of a semester to the Associate Dean (Academic Research) for publication of results.

6.8. The scholar must pass each of these courses with at least C grade in a 7-point scale / equivalent. The result will be published as “QUALIFIED” for grades obtained ‘C’ and above and as “NOT QUALIFIED” for grades obtained below ‘C’. A student shall get maximum three chances to pass a course assigned by the DSC, through grade improvement examinations which will be held concurrently with supplementary examinations of other academic programmes.

## **7.0. Submission of Thesis**

7.1. The research scholars of all categories shall normally submit their Ph.D. thesis within a period of six years from the date of enrolment in the Ph.D. program. However, for satisfactory reasons, the period may be extended by one more year. The female scholars and Persons with Disability (more than 40% disability) shall be allowed a relaxation of two years in the maximum duration. However, the fellowship tenure shall be applicable as per the guidelines of the MoE / sponsoring agency. The extension shall have to be recommended by the DSC. In case, no extension for registration is applied for, the registration shall automatically stand terminated at the end of the above-stipulated period.

7.2. A research scholar shall submit his/her Ph.D. thesis not earlier than two years from the date of registration in the PhD program.

7.3. Prior to submission, when the thesis is nearly ready and can comfortably be submitted within three months the scholar will submit the synopsis of the thesis [typically 10 pages including tables, graphs and references] and present a seminar to an open audience (pre-submission seminar), which will include members of DSC. Soft and hard copies of the thesis should be submitted to the members of the DSC at least one week before the date of the seminar.

7.4. The DSC shall assess the work through a pre- submission seminar in presence of all supervisor/co-supervisor(s). It is mandatory that all the supervisor/co-supervisor(s) are present during the seminar. The DSC should confirm that the scholar has completed the required number of courses. The scholar shall respond to the suggestions of every DSC member. If and when the DSC is satisfied with the extent of work done and the quality of the thesis the scholar will be allowed to submit the thesis. The DSC shall forward one hard copy, signed by the scholar and the supervisor/co-supervisor, and a soft copy of the synopsis of the PhD thesis along with recommendations (vide EVALUATION REPORT ON PRE-SUBMISSION SEMINAR FOR Ph.D. THESIS, FORM-7) to the office of Dean (Academic Research).

**7.5.** (i) The scholar must have at least two papers published / accepted for publication based on his/her doctoral research in a SCI/ SSCI/ AHCI/ Non-paid Scopus/ Web of Science journal and

preferably two paper presentations in conferences/ seminars before the submission of the dissertation/ thesis for adjudication, and produce evidence for the same in the form of presentation certificates and/or reprints.

(ii) A journal publication by a PhD student without any of her/his supervisor(s) as one of the author(s) can be included in her/his PhD thesis with the approval of the supervisor(s).

7.6. A general format and guidelines (Clause 19.0) shall be used for writing Ph.D. thesis.

7.7. Plagiarism check shall be made for Ph.D. thesis to satisfy maximum permissible match of 20% excluding publications of the research scholar and corresponding supervisor/co-supervisor(s). The plagiarism check certificate should be included in the thesis.

7.8. The thesis examination fee, as applicable at the time, shall be deposited, subject to completion of all formalities.

7.9. The research scholar shall submit two copies of the Ph.D. thesis with soft cover for the external examiners to the office of the Dean (Academic) within three months from the date of successful pre-submission seminar. The soft copy of the thesis shall be emailed to Dean (Academic Research). After successful defense of the thesis and incorporation of revision as per the comments of the examiners, the candidate shall submit one hardbound copy of the final version and a soft copy of the Ph.D. thesis to the office of Dean (Academic Research).

7.10. Electronic copies of the theses should be posted on Institute web site for wide distribution.

## **8.0. Examination of PhD Thesis [*applicable to all scholars*]**

**8.1.** The DSC shall prepare and submit two panels of five external examiners each in the area of the submitted research work each from India and abroad, to Dean (Academic Research) in hard and soft copies, for the appointment as external examiners of the thesis. The list must include the name, designation, affiliation, full postal address, telephone number, email IDs and webpage address of the examiners. The examiners should be selected by the DSC from amongst the eminent faculty members or experts, Professors / Associate Professors/ Retired Professors / Emeritus Professors, and researchers with Ph.D. in Institutes / Universities / Research laboratories / Industries of repute. The area of his/ her specialization is to be mentioned explicitly along with a hyperlink to his/ her web page. In the list of examiners from abroad, there shall be at least three experts not of Indian origin. The name of a person who is a co-author with the research scholar in any of her/his publications (Journal/Conference/Patent) at any time should not be recommended by the DSC as External Examiner for evaluation of the Ph.D. thesis of the scholar. **There should not be any conflict of interest in the selection of the panel of examiners.**

It shall also include the name and registration number of the research scholar, thesis title, the department registered and the name of the supervisor/co-supervisor(s) etc. (vide Ph.D. THESIS SUBMISSION FORM, FORM-8). Director as the Chairperson of the Senate shall select one external examiner each from India and abroad from the recommended panel. Dean (Academic Research)

8.2. It is expected that the DSC submits the panels of examiners immediately after the pre-submission seminar to the Dean (Academic Research), so that the consent of examiners is obtained before submission of the thesis.

8.3. Dean (Academic Research) will arrange to dispatch the synopsis to the external examiners by email. On receipt of their acceptance to become the external examiner of the Ph.D. thesis, the Academic Section will arrange to dispatch the thesis to them by e-mail/post. The soft copy of the

Ph.D. thesis shall also be sent through email. Normally, the examiner will be required to submit the evaluation report within six weeks.

8.4. Deleted.

8.5. When a thesis is unanimously accepted by the board of examiners for the award of the Ph.D. degree (Annexure-IX), the scholar shall be required to defend the work in an open seminar followed by a viva-voce conducted in presence of the external examiner from India. DSC members and other interested persons. It is not mandatory for the co-supervisors from abroad to be present during the viva voce. In case the Indian external examiner is not able to attend the seminar and viva-voce, Director shall appoint an alternate examiner for the purpose from the existing panel of external examiners from India. The defence of the thesis shall be held after at least three weeks from the date of dispatch of the thesis.

8.6. If an external examiner does not respond within three weeks from the date of dispatch of the synopsis or within three months from the date of dispatch of the thesis, Director may select an alternate name from the recommended panel of Experts as the external examiner. The examiners may be reminded of sending the report of the thesis after two months of dispatch of the thesis.

The examiners may send the report on the thesis by email and / or post with a “confidential” label on the mail.

8.7. (i) In case where an examiner criticizes a Ph.D. thesis strongly but still recommend it as “To be revised but need not be sent back to the examiner”, the DSC shall take utmost care to ensure that all suggested revisions and concerns of the examiner have been addressed in the revised thesis.

(ii) If a thesis in the present form is not found to be acceptable by any one of the external examiners for award of the Ph.D. degree and is likely to be accepted after revision in line with the modifications suggested by the external examiners in their report, the research scholar must re-submit the thesis, after making payment of necessary re-submission fees, incorporating the suggested amendments within three months from the date of the earlier decision of the DSC.

8.8. If a thesis is recommended by one external examiner for the award of the Ph.D. degree but is rejected by the other external examiner, the thesis may be sent to another examiner. The DAC, if needed, may submit a fresh panel of external examiners. The research scholar may submit another copy of the thesis after depositing an additional thesis examination fee, as applicable at the time.

8.9. If a thesis is rejected by both the external examiners, or if it recommended by one examiner but is rejected by two examiners consecutively, the student shall submit a fresh thesis after a period of one year from the date of the decision. The thesis examination fee of as applicable at the time shall be deposited again before the submission of the thesis. The DAC will recommend a fresh panel of external examiners in the area of the submitted research work each from India and abroad for appointment as external examiners of the thesis.

8.10. The thesis resubmission fees will have to be paid as applicable from time to time as stated in the clauses 8.7, 8.8 and 8.9.

## **9.0. Defense of Ph.D. work**

9.1. The Dean (Academic Research) shall invite the examiners, on approval of Chairman, Senate.

9.2. Open Ph.D. seminars and viva will be conducted at respective departments in presence of DSC members.

9.3. Recommendations of the external examiner and DSC will be forwarded to the Dean (Academic Research) for its onward submission to the Chairman, Senate (vide REPORT ON VIVA-VOCE & DEFENSE FOR Ph.D. DEGREE, FORM-14).

## **10.0. Award of Degree**

10.1. On the recommendation of the Doctoral Scrutiny Committee, the Senate or the Chairperson, Senate (when the Senate is not sitting early) shall decide whether the candidate should be awarded the degree of Doctor of Philosophy. If the Chairperson, Senate has approved the award of degree, the award needs to be confirmed by the Senate.

10.2. Deleted

10.3. A provisional degree certificate will be issued by Dean (Academic Research) to the scholar on successful defense of the thesis stating that the candidate has successfully defended her/his Ph.D. thesis fulfilling all the conditions stipulated by the Senate of the Institute. The final degree certificate will be issued in the convocation or by any other mode approved by the Senate. The date of the defense examination shall be the effective date of award of degree and will be mentioned in the provisional certificate and degree certificate.

10.4. Any deliberate false statement or plagiarized text will lead to summary disqualification, in addition to other punitive measures commensurate with the offence. Degrees, even after being awarded, may be revoked if gross violation of academic ethics is established.

10.5. Posthumous Ph.D. degree will be awarded to a deceased student only if the formalities up to the receipt of the 'RECOMMENDED' reports from both examiners (from India and abroad) are completed and the compliance report is submitted. Each such case will, however, need the recommendation of the Senate.

## **11.0. Fellowship [applicable to Institute scholars, Category A]**

10.1. Institute doctoral fellowships shall be governed by the rules of MoE. When the number of Institute fellowships is limited; they will be distributed among different departments by the Director on recommendation of Dean (Academic Research). Generally, the number of fellowships will be proportional to the faculty strength, but changes can be made to ensure that the positions are filled to the extent possible.

11.2. In case of students awarded a scholarship by an external agency or from a research project operating in the Institute; the provisions specified by the sponsor shall govern the rules.

11.3. Deleted

11.4. Deleted

11.5. Deleted.

11.6 The scholarship for the category A students shall normally be given initially for a period of three years, which can be renewed on year-to-year basis on satisfactory performance up to a maximum period of 5 years (including project fellowship, if any) / tenure of the research scheme. The scholarship shall, however, automatically be terminated after the date of Ph.D. thesis defence or 5 years from the date of enrolment whichever is earlier.

11.7. Enhancement in rate of fellowship, after two years of enrolment, may be considered on successful assessment by the DSC and submission of report (vide EVALUATION REPORT FOR ENHANCEMENT OF FELLOWSHIP FOR Ph.D. DEGREE, FORM-6) to the Dean (Academic Research) towards satisfactory progress in the research activity. The student will submit a summary of the progress of the work to the Chairperson, DSC through the supervisor/co-supervisor(s) and deliver an open seminar. In case the recommendation of the DSC is not favourable, the candidate may deliver a fresh seminar after six months from the previous one for consideration of enhancement in scholarship. Enhancement of scholarship shall be effective from the date of successful enhancement seminar.

11.8. Deleted.

11.9. If a student with Institute fellowship fails to complete registration formalities within 24 months of enrolment, payment of fellowship will be suspended (with permanent loss) till registration formalities are over.

11.10. All research scholars with fellowship (Institute sponsored/ Externally funded, including UGC/ CSIR/ DST etc.) will be required to assist the Department in teaching activity (sessional, laboratory etc.) and other academic activity for up to 8 hours per week; the quantum of such contribution being decided by the administration from time to time.

11.11. Change of fellowship, other than project fellowship (due to completion of project duration), shall not be permitted.

## **12.0. Leave rules [*applicable to Institute scholars, Category A*]**

12.1. A research student, except when granted withdrawal by the Institute must attend to his work on a whole time basis. The departments will maintain attendance record of the student. The DSC will examine the attendance record of students, and if it is found unsatisfactory, will recommend extension of minimum duration for submission of thesis, deregistration or termination of studentship, as it thinks fit.

12.2. Research scholars other than Institute employee are eligible to enjoy 30 days leave as and when necessary in a calendar year.

12.2.1. Request for the sanction of any type of leave, formal application should be addressed to the HOD which should usually be recommended and forwarded by the supervisor before availing any leave excepting exigencies.

12.2.2. The HOD and his/her office would take care of the leave applications and approvals. The same office would also keep the records of the leave as usual and submits the attendance report to the appropriate authority for scholarships or other grants. The HOD may refer appropriate cases to the Dean (Academic Research) to issue leave certificate, as and when required, and to settle and dispute or cases of exigency.

12.2.3. Leaves of research scholars under CSIR/UGC/DST sponsored research schemes and other categories will be governed by the rules of the bodies, which provide financial support.

12.2.4. In case of medical leave, the Institute Medical Officer must endorse the medical certificate.

12.2.5. Maternity and child care leave are applicable to female student only. A female student is entitled to avail maternity leave for a maximum of 180 days and childcare leave for a maximum of 60 days once during the tenure of their studentship. Similarly, a male student is entitled to avail paternity leave for a maximum of 15 days. If availed, the loss of days due to these leaves may be augmented by extending their registration period, by the same number of days, on the basis of written prayer from the scholars to the Dean (Academic Research) with due recommendation of DSC.

12.2.6. There will be no loss of scholarship/fellowship for the female students availing the maternity and childcare leave but the total time period of scholarship will remain same and will not be extended.

12.2.7. In all cases, an application for medical/maternity leave must be accompanied by all relevant medical papers - prescriptions, admission and discharge reports, diagnostic reports, medicine purchase slips etc.

12.2.8. All leave application must be filed within 3(three) working days after joining.

12.2.9. Absence without sanctioned leave will entail loss of financial assistantship for the period of absence and may result in the termination of the students' program.

12.3. There shall be no summer or winter vacation for research students.

12.4. For part of a year, the entitlement will be on pro-rata basis.

12.5. In matter of course work, leave rules applicable to other program will also be applicable to Ph.D. students.

12.6. Leave on duty - If a scholar require to visit any laboratory/ institute in connection to his/ her research work, such absence from NIT Durgapur will be treated as leave on duty. However, the scholar will require to have prior approval for the same, on recommendation of the concerned supervisor, from the Chairman of DSC (up to 7 days) or Dean, Academic (more than 7 days up to 30 days) or the Chairman, Senate (more than 30 days).

### **13.0. Miscellaneous**

13.1. All seminars and viva voce for the Ph.D. program shall be open house, with a notice normally circulated to all departments of the Institute at least seven days in advance.

13.2. All seminars; pre-registration, enhancement and pre-submission seminars must be conducted within a maximum period of one month from the date of application by the candidate, subject to concurrence of the DSC.

13.3. If the DSC finds the performance of the research scholar unsatisfactory, it will give at least two warnings (in writing) to the candidate. If there is no improvement in her/his performance even after the warnings, the DSC may recommend termination of the Ph.D. program for the scholar through DRPC for approval of the Senate.

13.4. The Institute may revise the fee structure from time to time.

13.5. The list of documents, which need to be submitted at various stages of Ph.D. program starting from the time of admission are listed in Annexure- forms.

13.6. External co-supervisors will submit a willingness certificate (vide Annexure-XII) and no objection certificate (vide Annexure-XIII) from their organization and from their end during formation of DSC or at a time when appropriate.

13.7. The Institute shall submit the soft copy of the thesis to INFLIBNET after 2 years from the date of the PhD thesis defence.

13.8. The Institute will issue a declaration to the effect that the degree has been awarded in accordance with the provisions of UGC regulations, 2016, if sought by a degree awardee.

#### **14.0. Termination of Studentship [*applicable to all students*]**

The studentship of a Ph.D. scholar may be terminated by the Senate on exceptional grounds. They are:

- Recommendation of Institute's Disciplinary Committee.
- Failure to do semester registration.
- Failure to complete registration within two years from the date of enrolment.
- Poor progress as noted by DSC. Such a decision may be implemented only after approval of the Senate.
- Prolonged absence (exceeding two months) from the Institute without prior intimation.

#### **15.0. Transition issues**

The revised/amended regulation shall come into effect from Aug. 21, 2021. Students enrolled prior to this date shall be generally covered by the regulation in vogue at the time of their enrolment. However, some of the clauses in the present regulation shall be applicable to them where these are specifically mentioned. The final decision on each specific issue will be taken by the Senate (or Chairman Senate on its behalf), on case-to-case basis.

#### **16.0. Exceptions**

Notwithstanding anything stated in the rules, the Senate can make special provisions and exceptions depending on the merit of a case. Such cases shall not be cited as precedence in future occasions of similar nature, because two situations appearing similar may not be identical.

In emergency situations, the Director in capacity of the Chairman Senate, can exercise powers of the Senate and discharge the functions of the Senate. Such decisions must be reported to the Senate at its next meeting.

#### **17.0. Committees / Functionaries**

**The following committees shall be constituted for the research program.**

##### **17.1. Research Academic Committee (RAC)**

17.1.1. Constitution:

- i) Dean (Academic Research) - Chairperson
- ii) Dean (R&C) - Members

- iii) Chairman of all DRPCs OR any one faculty (with Ph.D.) nominated by Chairman of respective DRPCs- Members
- iv) One representative with Ph.D. degree from industry / R&D organization - Member
- v) Associate Dean (AR)- Member
- vi) Joint/Deputy Registrar (A&E) - Convener

#### 17.1.2: Functions:

- i) To consider the recommendations of the DRPC on matters relating to research program and to make suitable recommendations to the Senate.
- ii) To ensure that all norms and regulations pertaining to research programme are strictly followed
- iii) To make periodic review of ordinances, regulations and instructions pertaining to research program and to recommend to the Senate any modification thereof.
- iv) To review the academic performance and make suitable recommendations to the Senate regarding the award of degrees.
- v) To conduct at least one meeting each semester and send the proceedings to Secretary, Senate.
- vi) The quorum for each meeting will be ten.

### **17.2. Departmental Research Program Committee (DRPC)**

#### 17.2.1. Constitution

- i) Head of the Department- Chairperson  
(In case, Head of the department does not possess Ph.D. degree, the Director shall nominate Chairperson)
- ii) All faculty members of the department having Ph.D. degree- Members
- iii) One Professor from a premier national academic institution / one expert from industry / R&D organization with Ph.D. degree- Member

#### 17.2.2. Functions

- i) To ensure academic standard and excellence of the Ph.D. program offered by the department.
- ii) To assign the supervisor/co-supervisor(s) to the research scholar in consultation with the Scholar and the supervisor/co-supervisor(s)
- iii) To conduct admission test/ interview
- iv) To consider any general matter related to the research program of the department and propose change in policy pertaining to the Ph.D. program.
- v) The external expert to be present in the non-routine DRPC meetings where policy decisions are recommended.

### **17.3. Doctoral Scrutiny Committee (DSC)**

There shall be a Doctoral Scrutiny Committee for each Ph.D. scholar. The Supervisor shall be the Convener of this Committee. The DSC shall vigilantly monitor the quality of the research work and the Ph.D. thesis.

#### 17.3.1. Constitution

- i) Chairperson (DRPC)/ A senior Faculty member of the Department  
(if Chairperson is a supervisor/co-supervisor) – Chairperson
- ii) Two faculty members of the department having PhD degree- Members
- iii) One faculty member in the rank of Professor/ Assoc. Professor having Ph.D. from other department of the institute, preferably having interest in related area of research- Member
- iv) Concerned supervisor/co-supervisor(s) for the research scholar- Member(s)

### 17.3.2. Functions

- i) To review the research proposal and finalize the topic of research;
- ii) To guide the research scholar to develop the study design and methodology of research and identify the course(s) that he/she may have to do.
- iii) To periodically review and assist in the progress of the research work of the research scholar.
- iv) A research scholar shall appear before the DSC once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The six monthly progress reports shall be submitted by the DSC to the Academic Section before each Semester registration.
- v) In case the progress of the research scholar is unsatisfactory, the DSC shall record the reasons for the same and suggest corrective measures. If the research scholar fails to implement these corrective measures, the DSC may recommend with specific reasons for cancellation of the registration of the research scholar.
- vi) To conduct registration, enhancement and pre-submission seminars, viva voce.
- vii) To act as the examiners in the above seminars and viva voce.
- viii) To oversee and advise on all matters related to the Ph.D. work of the scholar.

### 17.4. Supervisor/co-supervisor

The functions and responsibility of the supervisor/ co-supervisor are:

- i) To assign a topic for research to the research scholar in consultation with the scholar.
- ii) To recommend the courses to be taken up by the research scholar.
- iii) To provide or arrange for facilities to carry out research and supervise the research scholar for the entire research studies.
- iv) To monitor the progress of the research scholar.
- v) To report to the DSC the performance of the student at the end of each semester.
- vi) To recommend a panel of Ph.D. thesis external examiners to DSC.
- vii) To forward all applications of the research scholar working under him to the DRPC

Utmost care must be taken by the supervisor(s) with respect to the content, organization and language of the Ph.D. thesis before endorsing it for submission.

### 17.5. Central Admission Committee (CAC)

#### 17.5.1. Constitution

- i) Dean (Academic Research)- Chairman
- ii) Chairman of all DRPCs- Members
- iii) Associate Dean (Academic Research) - Member
- iv) Joint/Deputy Registrar (A&E)- Convener

#### 17.5.2. Functions

To prepare the final list of the selected candidates based on the selection lists prepared by the departments and communicate it to the office of Dean (Academic Research).

### 17.6. Departmental PhD Programme Coordinator

The Ph.D. Coordinator will be appointed by the HOD on rotation basis, who will be in charge of Ph.D. program in the Department with the following function and responsibilities.

- i) To help the department with allotment of Ph.D. students to faculty members.
- ii) To maintain a detailed record of departmental Ph.D. students.

- iii) To organize Ph.D. admission test and viva voce in each semester as required.
- iv) To keep a record of various course works being taken by the Ph.D. students.
- v) To monitor that DSC assigned course works are being taken by the Ph.D. students.
- vi) To compile the marks of all the course works and submits the same to the Academic Section.
- vii) To work in conjunction with the academic section for any relevant issue.
- viii) To circulate any departmental Ph.D. related seminar notices as soft copies.
- ix) To report to the Academic section, as required, through HOD.
- x) Any other function as assigned by the HOD.

## 18.0 Guidelines for Utilization of Contingency Grant (for attending National/International Conference/Lab visit etc.) [Applicable to Institute Scholars, Category A]

18.1 The financial assistance shall be provided to a research scholar in different heads as follows for attending National/International Conferences within India:

Head	Eligibility	Remarks
Registration Fee	Maximum up to Rs. 5000	On production of fee receipt
Travel	Train(AC III Tier)/AC Bus (by the shortest route)	As per actuals on production of ticket. In case the scholar travels by flight or any other mode, the reimbursement should be actual subjected to an
Local Travel	Auto/Bus	As per actuals subjected to an upper limit of Rs 100 per day on production of bills/self-certification

Per diem	The conference days plus one day each prior to and after the conference days	Rs. 250 per day (No bills required)

18.2 Maximum two conferences can be attended in a calendar year subjected to availability of contingency grant.

18.3 A research scholar will be given the support provided he/she continues to be a student for at least three months after attending the conference.

18.4 The scholar has to obtain an approval from competent authority before attending the conference and should submit settlement of financial assistance granted by the Institute (by listing all the expenses incurred in an orderly manner and duly enclosing all supporting documents) within ten days to the Academic Section.

18.5 In case the purpose of the travel is for data collection/lab visit for conducting experiments, the scholar will be permitted to travel within India, subjected to availability of contingency grant, and the entitlements will be the same as that of conference travel within India.

18.6. List of items, which can be purchased under contingency grant

- i) Acquisition of books and documents of relevance to the research topic provided these are not available in the library of the University/Institute.
- ii) Chemical/consumable items required for the research work.
- iii) Equipment required exclusively for research.
- iv) Photographic materials for research or thesis work.
- v) Computation charges.
- vi) Reprints/ Off- print of research papers.
- vii) Stationery and postal charges.
- viii) Registration fee for attending conference in India and abroad.
- ix) For registration of Ph.D. and submission of thesis.
- x) Any other purpose, specially authorized by NIT Durgapur administration.

Contingency grant cannot be used for:

- i) Foreign travel or other expenses for visit abroad.
- ii) Stationery items such as pen, pencils, folders, file covers, carbon papers etc. and furniture items.
- iii) Tuition fees

## **19.0. Guideline for Composing Ph.D. Thesis**

## 19.0. INTRODUCTION

### Purpose

This document, herein after referred to as the Thesis Guide, lists the general and specific requirements governing thesis preparation including guidelines for structuring the contents. For style, structure and presentation of the thesis, students may refer to additional style manuals or reference guides (some of which are listed below) and to the published literature in their respective field of study.

### Thesis Submission

To have the thesis examined, two copies of thesis (excluding the copy for the supervisor(s)) are to be submitted to the office of Dean (Academic Research). Besides fulfilling various existing requirements for thesis submission, such as submission of a list of examiners, additional copies of synopsis/abstract, and payment of thesis examination fees (for Ph.D. only), it is to be ensured by the scholar and the respective thesis supervisor (s) that the thesis preparation guidelines have been adhered to.

While submitting the thesis, every student is required to provide a Signed Checklist/Declaration in the following format to the Dean (Academic Research).

## **Declaration/ Statement of Thesis Preparation**

**Thesis title:** .....

**Degree for which the thesis is submitted:** .....

1. Thesis preparation guideline has been followed while preparing the thesis.
2. All specifications regarding thesis format etc. have been followed.
3. The contents of the thesis have been organized based on the guidelines.
4. The thesis has been prepared without resorting to plagiarism.
5. All sources used have been cited appropriately.
6. The thesis has not been submitted elsewhere for a degree.

**(Signature of the student with date)**

**Name:** \_\_\_\_\_

**Registration No.:** \_\_\_\_\_

**Department:** \_\_\_\_\_

## **19.1. THESIS FORMATTING SPECIFICATIONS**

### **19.1.1. Preparation of Manuscript and Copies**

19.1.1.1. The thesis needs to be prepared using a standard text processing software and must be printed in black text (color for images, if necessary) using a laser printer or letter quality printer in standard typeface (Times New Roman or Sans Serif font). The font size should also be fixed at 12 in general; exceptions may be there only when it is really required. The medium of writing will be British English.

19.1.1.2. The thesis must be printed or photocopied on both sides of white paper. All copies of thesis pages must be clear, sharp and even, with uniform size and uniformly spaced characters, lines and margins on every page on good quality white paper of 75 gsm or more.

19.1.1.3. Thesis should be free from typographical and grammatical errors.

### **19.1.2. Size and Margins**

19.1.2.1. A4 is the recommended thesis size. The total number of pages should preferably be limited to ~ two hundred (considering both sides of the paper).

19.1.2.2. The top, bottom and right side margins should be 25 mm, whereas the left side margin should be 35 mm for both textual and non-textual (e.g., figures, tables) pages. If one takes print on either side of a page, margin on either right or left side will be different for odd and even pages.

19.1.2.3. Content should not extend beyond the bottom margin except for completing a footnote, last line of chapter/subdivision, or figure/table caption.

19.1.2.4. A sub-head at the bottom of the page should have at least two full lines of content below it. If the texts of the sub-head are too short to allow this, it should begin on the next page.

19.1.2.5. All tables and figures should conform to the same requirements as text. Colour may be used for figures. If tables and figures are large, they may be reduced to the standard size (provided the reduced area is not less than 50% of the original) and/or folded just once to flush with the thesis margin (if the page size does not exceed 250x360 mm).

19.1.2.6. Scholars may choose to submit printed thesis copies either in the standard size (as in 2.2.1) or in a book format that is roughly half of A4. If the book format is adopted for submission, it should be ensured that all textual and illustrative material is distinct and legible. Students should also submit the thesis in soft form (PDF) for storage and archival.

### **19.1.3. Page Numbering**

19.1.3.1. Beginning with the first page of the text in the thesis (Chapter 1), all pages should be numbered consecutively and consistently in Arabic numerals through the appendices.

19.1.3.2. Page numbers prior to Chapter 1 should be in lower case Roman numerals. The title page is considered to be page (i) but the number is not printed.

19.1.3.3. All page numbers should be placed without punctuation in the upper right hand corner, 12 mm from the top edge and with the last digit even with the right hand margin.

### **19.1.4. Multi-Volume Thesis**

A thesis may be in two or more volumes, if required. The volume separation should come at the end(s) of major division(s). The preliminary pages prior to Chapter 1 are contained only in Volume I, except the title page.

### **19.1.5. Line Spacing**

The general text of the manuscript should be in one-and-half spacing. Long tables, quotations, footnotes, multi-line captions and bibliographic entries (references) should be in single spacing, with text size in 11 points.

### **19.1.6. Tables, Figures and Equations**

19.1.6.1. All tables (tabulated data) and figures (charts, graphs, maps, images, diagrams, etc.) should be prepared, wherever possible, on the same paper used to type the text and conform to the specifications outlined earlier. They should be inserted as close to the textual reference as possible.

19.1.6.2. Tables, figures and equations should be numbered sequentially either throughout the thesis or chapter-wise using Arabic numerals. They are referred to in the body of the text capitalizing the first letter of the word and number, as for instance, Table 17, Figure 24, Equation (33), or Table 5.3, Figure 3.11, Equation (4.16), etc.

19.1.6.3. If tables and figures are of only half a page or less, they may appear on the same page as text but separated above and below by double line spacing. Font size for text should be the same as for the general text.

19.1.6.4. Good quality Line Drawings/figures must be drawn using standard software that provides vector rather than bit-map graphics. Figures must be scalable.

19.1.6.5. Images, Photographs, etc. must be scanned in resolution exceeding 200dpi with 256 gray scales for the monochrome images and 24 bit per pixel for the color images.

### **19.1.7. Binding**

The student should submit the copies of the thesis in fully bound form (soft cover). Once the thesis is accepted, it is the student's responsibility to get it properly hard bound before submitting the required number of copies with the Academic Research Section / Central Library and the Department and Supervisors concerned. The front cover of the bound copy should be the same as the title page of the thesis. The front cover should have printing on the side to include the author's name, abbreviated thesis title (optional), degree, department, and the year. The color of the binding cover should be maroon for Ph.D. with golden color writings on it).

## 19.2. GUIDELINES FOR STRUCTURING THE CONTENTS

### 19.2.1. Sequence of Contents

The following sequence for the thesis organization should be followed:

(i) Preliminaries	Title Page	As per the format given at the end of the guidelines.
	Certificate	
	Abstract/Synopsis	
	Acknowledgement and/ or Dedication (if included)	
	Table of Contents	
	List of Figures, Tables, Illustrations, Symbols, etc. (wherever applicable)	
(ii) Text of Thesis	Introduction	
	The body of the thesis	
	Summary and conclusions	
(iii) Reference Material: List of References, Bibliography (where included)		
(iv) Appendices, if included		
(v) Index, if included		

All the Chapter headings are centered (without punctuation) 25mm down the top edge of the page. The subsequent type-setting begins three spaces below the heading.

### 19.2.2. Preliminaries

19.2.2.1. A Ph.D. thesis should contain an abstract/synopsis typically not exceeding 1000 words (about four pages) in one-and-half spacing.

19.2.2.2. Ph.D. students shall also separately submit three copies of the synopsis/abstract.

19.2.2.3. Every student should submit two copies of abstract/synopsis not exceeding 250 words (one page) for record keeping in the Central Library.

19.2.2.4. A synopsis/ abstract shall be printed in one-and-half space with the heading “SYNOPSIS/ ABSTRACT” in uppercase followed by certain preliminary information and the text. For textual matter, refer to the suggested format which is placed at the end of the Thesis Guide.

19.2.2.5. Synopsis/Abstract should be self-complete and contain no citations for which the thesis has to be referred.

### **19.2.3. Table of contents**

19.2.3.1. The table of contents lists all material that follows it. No preceding material is listed. Chapter titles, sections, first and second order sub-divisions, etc. must be listed in it.

19.2.3.2. Tables, figures, nomenclature, if used in the thesis, are listed under separate headings.

### **19.2.4. The Text of the Thesis**

#### 19.2.4.1. Introduction

Introduction may be the first chapter. It should contain a brief statement of the problem investigated. It should outline the scope, aim, general character of the research and the reasons for the student's interest in the problem.

#### 19.2.4.2. The body of Thesis

This is the substance of the dissertation inclusive of all divisions, subdivisions, tables, figures, etc.

#### 19.2.4.3. Summary and conclusions

If required, these are given as the last major division (chapter) of the text. A further and final subdivision titled "Scope for Further Work" may follow.

#### 19.2.4.4. Reference material

The list of references should appear as a consolidated list with references listed either alphabetically or sequentially as they appear in the text of the thesis. If pertinent works have been consulted but not specifically cited, they should be listed as Bibliography or General References. Spacing and font size should be consistent inside a single reference, and there should be a single spacing between two different references (see Section 2.5).

### **Reference Format**

- For referencing an article in a scientific journal the suggested format should contain the following information: authors, title, name of journal, volume number, page numbers and year.
- For referencing an article published in a book, the suggested format should contain, authors, the title of the book, editors, publisher, year, page number of the article in the book being referred to.
- For referencing a thesis the suggested format should contain, author, the title of thesis, name of the institute where thesis was submitted or awarded, and year.

- A few examples of formats of references are given below and the student should be consistent in following the style.

#### **19.2.4.5. Appendix or Appendices**

Supplementary illustrative material, original data, and quotations too lengthy for inclusion in the text or which is not immediately essential to an understanding of the subject can be presented in Appendix or Appendices (as Appendix A , Appendix B, etc.).

Each appendix with its title should be listed separately in the table of contents. Likewise, tables and figures contained in the Appendices are to be included in the lists of tables and figures, respectively.

### **9.3. CONCLUDING REMARKS**

This Thesis Guide lists only the basic requirements for preparing the thesis. Over and above the aforementioned points, a thesis should be reader-friendly in both its appearance and presentation. Several aspects of thesis preparation, particularly style of writing and presentation, have not been discussed in great detail. The student should follow appropriate ideas from standard literature of his/her area of research, and adopt a uniform style and format throughout the thesis, such as in the structural divisions/subdivisions of the thesis, in the mode of citing references and footnotes in the text, in using dimensions, units and notations, and in preparing tables and figures, etc.
