I am already loving this casino and live support is very quick and responsive. They are friendly and very helpful and do what they say whether its sending a chat transcript or logging issues with gaming providers, they are extremely quick and helpful. Overall, I think everyone should try PlayLive, especially South African online gamblers.

Unfortunately, you can not play games for free or gain access until you have created your account.

What makes PlayLive unique? There's a lot, but let's start with their dedication to providing players with gratification on a speedy platter: PlayLive offers same day payouts! Because who wants to experience the thrill of a big win (or even a small one) and then have to wait a whole week to hold the cash in hand? We sure don't. Do you? PlayLive understands this, and that's why they've prioritised the same day payout to put your win straight in your pocket.

Rewards members can earn entries for every 50 tier credits earned on PlayLive! between January 1 and January 27.

In our review, we looked at PlayLive Casino's design and layout. We carefully analyzed the welcoming bonus offered to new players and compared them with other bonuses by online casinos.

The online casino has plenty of attractive bonuses for new and existing players. The welcoming bonus is one of the best in the market. It even gets better by the casino offering bonuses and promotions specific to the online game a player is playing. The loyalty program provides impressive prizes and offers as one moves up the tiers.

South African gamblers really are spoilt for choice when it comes to playing at online casinos. These days, you can find a bounty of online gambling fun houses with striking graphics, easy navigation, a great spread of all the best known games, and a few surprises, too. Not only that, but many South African online casinos also offer a range of convenient banking options through which to withdraw handsome bonuses and, if you get lucky, juicy jackpots.

This benefit is typical of an online casino built on the philosophy of creating an enjoyable and human experience for players. At PlayLive it's all about making you smile. Founder Rob Keats believes in giving players a one-stop online casino website they trust and hopes that they may "savour their experience every single time they play". A keen player himself, Rob always sought a "gamified and friendly casino experience" and works relentlessly with his team to anticipate and meet players' needs with "a wide selection of often unique games, impressive payouts and constant attention to detail." He can see things from the player's perspective because he holds that perspective himself.

Sophisticated look and feel. Navigation is clear and easy to use. Like the fact that they showcase their games on the home page and, what's even

better you can trial the game without even logging in.

Members of PlayLive online can freely contact customer service for assistance at any time with minimal fuss. This can be achieved through means of live chat or email. Also, there is a frequently asked questions section for all the answers to the most common questions. If you can't find a solution in the FAQ section, don't hesitate to contact the friendly customer assistance team directly. The live chat is open between 9 am and 11 pm EST, 7 days a week. While there is no telephone number, you do have the option to reach out via email at [email protected]

There are many great gaming options available to members at PlayLive online. But what about live dealer games? It's no secret that these gaming options are highly sought-after. Unfortunately, there are numerous hoops that operators need to jump through in order to provide such games. Because of this, only the most premium operators are currently providing their players with access to live casino gaming options. We review all the top operators so that you can find an operator that's home to the gaming options you're looking for.

If you decide to opt-in for self-exclusion, you will be banned from all casinos in the state for a select amount of time. The times can range from a few months to a few years or forever.
